**How to Draw Manga: Basics and Beyond** Manga University 2019-05-24 You want to draw manga, and Manga University will show you how. You'll get VERY good at this. After all, we've been teaching people just like you for more than 20 years. "How to Draw Manga: Basics and Beyond!" is the latest in Manga University's lineup of best-selling instructional books. The book features more than 1,000 illustrations drawn by Japanese manga artists whose work has appeared in leading publications, including Shonen Sunday and Young Jump. You will learn how to draw like a professional because your teachers are professionals. We've divided the book into four easy-to-follow chapters that will have you drawing original characters from head to toe in no time at all: Heads First! We begin at the top, with a chapter on how to draw heads. After all, heads are the first thing most people notice, in both art and out in the real world. And in art, just like in the real world, you want to make sure your characters make a vivid first impression ... whether they're completely human, or totally out-of-this-world. Let's Make Faces! The expression the eyes are the window to the soul is particularly true when it comes to manga. You can tell a lot about a character's personality by peering into their eyes. In this chapter, we explain the basics of drawing eyes. But we don't stop there. We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all about drawing bodies. We go over the differences between male and female body proportions, count heads to determine the heights of our characters, and learn how to draw hands, arms, feet,

and legs. Strike a Pose! Our book's final chapter is all about making a physical statement. We show characters standing tall, sitting down, throwing punches, giving hugs, and more. Because even beautifully drawn characters look boring if they're frozen stiff. The book also includes a section on manga tools. Plus, you'll get to know the artists who contributed to the book through exclusive interviews in which they talk about their favorite manga and anime series, hobbies, how they work, and more!

Step-by-step instructions walk you through the basics every aspiring artist needs to learn, like body proportions and facial expressions. Once you've mastered those, learn how to add different hats, hairstyles and costumes to your chibi girls or pose them in fun positions—from jumping for joy to hugging a friend. This all-in-one guide includes everything you need to start drawing these adorably exaggerated manga characters: Photo-illustrated tutorials let you look over the authors' shoulders as they create original chibi characters from scratch, right before your eyes! Before-and-after comparisons help you pinpoint mistakes and avoid common pitfalls Step-by-step progressions that help you master a range of head-to-body ratios and create charming figures that pop off the page Professional manga artists and chibi experts Mosoko Miyatsuki and Tsubura Kadomaru guide you through the drawing process and essential steps as your characters take shape. Follow along as they offer a trove of tips and examples, which help you to track and assess your progress. Before you know it, you'll be creating super cute chibi girls all on your own!

**Draw Amazing Manga Characters** Akariko, 2022-04-26 "Set your manga characters in motion! *Draw Amazing Manga Characters* combines the strengths, talents, and perspectives of five different manga artists over 81 lessons that increase in detail and complexity. Key building blocks allow you to progress as you move through the book and ""Take a Closer Look"" sidebars offer tips so developing artists can avoid frustrating obstacles and roadblocks. This essential handbook shows you how to: Draw action characters from every possible angle, perspective, and viewpoint Progress logically from concept to character and from sketch to finished drawing Create well-balanced and proportioned characters to tell your story Create scenes with real depth and three-dimensional appeal The illustrators guide you through an easy four-step figure drawing process: 1. Block-in the basic shapes, using the techniques of figure drawing to set down the rough outline of your character. 2. Sketch in the formal details, as your creation starts to take on form and shape 3. Now it's time to lay down the next layers of features and tweaks that will make your character come to life and stand apart. 4. Finally the finishing touches, the shading and nuances that add depth, complexity and three-dimensional appeal. Now look what's sprung to life on the page--your very own manga character!"

In *How to Draw Manga Animals* J.C. Amberlyn takes readers through all the drawing techniques they'll need to create a cast of manga-style animal characters. What makes a good character design? This book looks at elements in creating a manga-style animal character with appeal, exploring archetypes and other familiar types of characters as well as how to add unexpected or unique elements that give characters a memorable twist. In addition, readers will learn to draw cute chibi critters and dangerous-looking monsters and everything in between for comics, games, or simply their own personal enjoyment. This book includes chapters on some common or notable real and mythological Japanese animals to provide readers a foundation of knowledge to start their own animal character designs.

*The Beginning After The End* TurtleMe 2021-03-19 I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second

time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.
