*Patrick White* David Marr 2012-02-01 The award-winning and bestselling biography of Australia's only Nobel Prize-winner for Literature. 'I think this book should be called The Monster of All Time. But I am a monster . . . ' Patrick White Patrick White, winner of the Nobel Prize and author of more than a dozen novels and plays - including *Voss*, *The Vivisector* and *The Twyborn Affair* - lived an extraordinary life. David Marr's brilliant biography

draws not only on a wide range of original research but also on the single most difficult and important source of all: the man himself. In the weeks before his death, White read the final manuscript, which for richness of detail, authority and balance is stunning. Throughout his exciting narrative, Marr explores the roots of White's writing and unearths the raw material of his remarkable art. He makes plain the central fact of White's life as an artist: the homosexuality that formed his view of himself as an outcast and stranger able to penetrate the hearts of both men and women. Gracefully written and exhaustively researched, Patrick White is a biography of classic excellence - sympathetic, objective, penetrating and as blunt, when necessary, as White himself.

*Locust Girl* Merlinda Bobis 2015 This novel is a fairytale, a political allegory, and a philosophical interrogation of the human heart. Most everything has dried up: water, the womb, even the love among lovers. The earth is now mostly desert, except the last green haven behind the border where the carers of the earth preserve the natural order. Carers manage the earth's last resources and keep the wasters out. But in the vast dry outside, hunger is the pernicious plague, and people feed on sand and locusts. So they walk the dry to cross the border. But once, terrible fires crossed it too and devastated the green haven. Since then, carers have been ever-more vigilant and afraid. One night, a village is bombed for seeking to walk to the border. Only two survive:

nine-year old Amedea and a locust buried in her brow.

This is the story of the Locust Girl. This is her lovesong -- for those walking to the border for dear life, and those guarding the border for dear life.

## **How Not to Be a Dick**

Meghan Doherty 2019-08-01

On the one hand, nobody wants to be a dick. On the other hand, dicks are everywhere! They cut in line, talk behind our backs, recline into our seats, and even have the power to morph into trolls online. Their powers are impressive, but with a little foresight and thoughtfulness, we can take a stand against dickishness today. *How Not to Be a Dick* is packed with honest and straightforward advice, but it also includes playful illustrations showing two well-meaning (but not always well behaved) young people as they confront moments of potential dickishness in their everyday lives. Sometimes they falter, sometimes they triumph, but they always seek to find a better way. And with their help, you can too.

complex, pun-based, and dreamlike narrative of James Joyce's *Finnegans Wake*. *Popular Politics in the History of South Africa, 1400-1948* Paul S. Landau 2010-09-20 *Popular Politics in the History of South Africa, 1400-1948* offers an inclusive vision of South Africa's past. Drawing largely from original sources, Paul Landau presents a history of the politics of the country's people, from the time of their early settlements in the elevated heartlands, through the colonial era, to the dawn of Apartheid. A practical tradition of mobilization, alliance, and amalgamation persisted,

mutated, and occasionally vanished from view; it survived against the odds in several forms, in tribalisms, Christian assemblies, and other, seemingly hybrid movements; and it continues today. Landau treats southern Africa broadly, concentrating increasingly on the southern Highveld and ultimately focusing on a transnational movement called the 'Samuelites'. He shows how people's politics in South Africa were suppressed and transformed, but never entirely eliminated.

Narrow Road to the Deep North A young Australian woman searches for her grandfather's dictionary, the key to halting a mining company from destroying her family's home and ancestral land in this exquisitely written, heartbreaking, yet hopeful novel of culture, language, tradition, suffering, and empowerment in the tradition of Louise Erdrich, Sandra Cisneros, and Amy Harmon. Knowing that he will soon die, Albert "Poppy" Gondiwindi has one final task he must fulfill. A member of the indigenous Wiradjuri tribe, he has spent his adult life in Prosperous House and the town of Massacre Plains, a small enclave on the banks of the Murrumbidgee River. Before he takes his last breath, Poppy is determined to pass on the language of his people, the traditions of his ancestors, and everything that was ever remembered by those who came before him. The land itself aids him; he finds

the words on the wind. After his passing, Poppy's granddaughter, August, returns home from Europe, where she has lived the past ten years, to attend his burial. Her overwhelming grief is compounded by the pain, anger, and sadness of memory—of growing up in poverty before her mother's incarceration, of the racism she and her people endured, of the mysterious disappearance of her sister when they were children; an event that has haunted her and changed her life. Her homecoming is bittersweet as she confronts the love of her kin and news that Prosperous is to be repossessed by a mining company. Determined to make amends and honor Poppy and her family, she vows to save their land—a quest guided by the voice of her grandfather that leads into the past, the stories of her people, the secrets of the river. Told in three masterfully woven narratives, *The Words on the Wind* is a

### *Appearance and Sense*

Gustav Shpet 2012-12-06

Despite, or perhaps better by virtue of, its very brevity, *Appearance and Sense* is a difficult text to read and understand, particularly if we make the attempt independently of Husserl's *Ideas I*. This is certainly at least in part owing to the intent behind Shpet's work. On the one hand it strives to present Husserl's latest views to a Russian philosophical audience not yet conversant with and, in all likelihood, not even aware of, his transcendental idealist turn. With this aim any reading would perforce be exacting. Yet, on the

other hand, Shpet has made scant concession to his public. Indeed, his text is even more compressed, especially in the crucial areas dealing with the sense-bestowing feature of consciousness, than Husserl's own. For all that, Shpet has not bequeathed to us simply an abbreviated paraphrase nor a selective commentary on *Ideas I*, although at many points it is just that. Rather, the text on the whole is a critical engagement with Husserl's thought, where Shpet among other things reformulates or at least presents Husserl's phenomenology from the perspective of hoping to illuminate a traditional philosophical problem in a radical manner. Since Husserl's text was published only in 1913 and Shpet's appeared sometime during 1914, the latter must have been conceived, thought through, and written in remarkable haste. Indeed, Shpet had already finished it

first draft and was busy with a revision of it by the end of 1913.

**The Sweetest Fruits**

Monique Truong 2021-08-31 With brilliant sensitivity and an unstinting eye, The Sweetest Fruits illuminates the women's tenacity and

their struggles in this novel that circumnavigates the globe in the search for love, family, home, and belonging. Monique Truong gives voice to three women, Rosa, Alethea, and Setsu, who each tell the story of their life with Lafcadio Hearn (1850-1904), a globetrotting Greek-Irish writer best known as the author of America's first Creole cookbook and for his many volumes about the folklore and ghost stories of Meiji Era Japan. An immigrant thrice over, Hearn is now remembered at best as a keen cultural observer and at worst as a purveyor of exotica. In their own unorthodox ways, the three women are also intrepid travelers and explorers. Their accounts witness Hearn's remarkable life but also seek to witness their own existence and luminous will to live unbounded by gender, race, and the mores of their time. Each is a gifted storyteller with her own precise reason for sharing

her story, and together their voices offer a revealing, often contradictory portrait of Hearn. 'It isn't only the fantastic Lafcadio Hearn who springs to new life in these pages. The women around him do as well, even as they mix the extraordinary and the ordinary in an exhilarating new way. The Sweetest Fruits is brilliant and heartbreaking—I was transfixed.' —Gish En, author of Typical American 'Presented in four courses from the perspective of the women closest to him, The Sweetest Fruits is a feast you'll want to devour for its arresting metaphors and its beautiful prose.' —Anita Lo, author of Solo: A Modern Cookbook for One 'Intimate and sensuous yet majestic in scope, The Sweetest Fruits is a rapturous, glorious novel, extraordinarily alive to the world.' —Idra Novey, author Those Who Knew 'Monique Truong has composed a sublime, many-voiced novel

of voyage and reinvention. It will cross horizons, yet remain burrowed in your heart.' —Anthony Marra, author of A Constellation of Vital Phenomena 'By giving readers a concert of voices, at last singing louder than Hearn's biography and mythology, Truong asks us to ponder the ways those who are often ignored and marginalized might have their own rich, epic stories worth telling. In that sense, The Sweetest Fruits is a type of justice.' —Eric Nguyen, author of Diacritics

**Educated Youth** Ye Xin 2016-05-01 During the Cultural Revolution over 14 million Chinese high school graduates were sent from the cities to live and work in the countryside. They were known as zhiqing - 'educated youth'. They fell in love, married, had children. In the late 1970s the policy changed and they were allowed to return, but not their families. Many jumped at the opportunity, leaving spouses and children behind. Ten years later the children, now teenagers, began to turn up in the cities, looking for their parents. Educated Youth follows five such children, who have travelled across China from a province in the south west to Shanghai in the east, only to discover that their mothers and

fathers have remarried, and have new families, in which there is no room for them. Their reappearance brings out the worst in the parents - their duplicity, greed and self-interest - and the best too, as they struggle to come to terms with their sense of love and duty.

Over the course of six weeks, in the terrible winter of 1941, everything starts to unravel...
