Littell's Living Age Eliakim Littell 1884

**The Works of J. Reeve and L. Muggleton, the Two Last Prophets of the Only True God, Our Lord Jesus Christ. [Edited by J. and I. Frost.]** John REEVE (Muggletonian, and MUGGLETON (Lodowick)) 1832

**The Prophets and Kings** J. Paterson Smyth Uphilas, their bishop, when translating the Old Testament for the Goths long ago, omitted altogether the four books of Samuel and Kings lest the stories of battle should stimulate too much the fierce spirit of the barbarians. In facing the task before me now I could almost wish that it were possible to imitate Bishop Uphilas, though for a very different reason. For what is one to do with this vast mass of sacred literature, nearly thirty books, more than three-fourths of the whole Old Testament, that is covered by the story of the Prophets and Kings? How can one deal with it in a single Book of Lessons? One might perhaps tell of the kings alone, but it would be of little value leaving out their prophets. Besides, I want to make the prophets stand out in their places, each in his own environment, each under his own kings—to make the pupil

acquainted with them and interested in them as men, in the hope that he may thus be more induced to acquaint himself and interest himself in some of their writings and also be more likely to understand what they had in their minds. The prophets, except Isaiah, are very little read. Groups of sermons and speeches taken out of their setting in time and place with little or no indication as to author or environment are not likely to be interesting. Now this is a very large undertaking. Covering so wide a field, lessons in detail are clearly impossible. After full consideration I have decided to treat the whole subject in bold, broad outline, omitting all but the salient features and trying to keep the personal interest by making it into a series of biographies.

*Prophets and Prophecy* Dean Miller 2014-08-01 Find a path to the future as you discover the great traditions of fortune telling of the past.

Apologetics Study Bible for Students Sean McDowell 2010-02-01 Like the acclaimed Apologetics Study Bible that has sold 115,000+ copies, the Apologetics Study Bible for Students will anchor younger Christians in the truths of Scripture by equipping them with thoughtful and practical responses for whenever the core

issues of their faith and life are challenged. Multiple research studies have shown that spiritual focus often weakens among teenagers as they head into the attention-dividing realm of young adulthood. Up to 66% of them leave church altogether. The Apologetics Study Bible for Students works against that trend by helping this audience begin to better articulate its beliefs. In addition to the complete HCSB text and dozens of articles collected from today's most popular youth leaders, including general editor Sean McDowell, this new study Bible also includes:

- Two-color design-intensive layout on every page for the visual generation
- Sixty "Twisted Scriptures" explanations
- Fifty "Bones & Dirt" entries (archaeology meets apologetics)
- Fifty "Notable Quotes"
- Twenty-five "Tactics" against common anti-Christian arguments
- Twenty "Personal Stories" of how God has worked in real lives
- Twenty "Top Five" lists to help remember key apologetics topics

**Time, Space and the Unknown** Paul Spencer 2004-02-24 "This work examines the variation of this pattern, associated with different profiles of social life and tension across the Maasai federation."--Jacket.

*The Prophets* Robert Jones, Jr. 2022-02-08 Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out

shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

**Funny Stuff in the Bible** Phillip D. Johnson 2013-10-28 Funny Stuff in the Bible is a field trip through the Bible library hunting for funny stuff. The many stories and other literature in this library were written over a period of a thousand years. This is well known. Thinking of the Bible as a library provides perspective. Though there are more copies of this library, its writings bound into a single volume, than of any other book in the world, the literature in it is underrated and underenjoyed. It is underenjoyed because of the smog created by the notion that every word is religiously serious and not for enjoyment, let alone laughter. This overlay of morality and religious seriousness makes it difficult to read a particular story as we do other stories in the world. Funny Stuff

shakes off these notions to enjoy some stories. The Bible is a large library. We can only explore a little of it as we look both for stuff that makes us laugh and also things that are strange. We investigate what we come across--stumble on, so to speak. The quest is undertaken in good humor and with light hearts.

Look to the Rock ALEC MOTYER 2020-05-21 The Bible is one book, not two separate testaments; so the Old Testament is essential for understanding the New. In this stimulating book on the Old Testament background to Christ, Alec Motyer shows how Jesus is the king expected, who brings in the kingdom looked for in the Old Testament; is both the image and the Word of God; conquers sin and death, and brings the disordered creation to its perfect consummation. To neglect the Old Testament, the author maintains, is to have an impoverished view of the glory of Christ.

readability makes it a trustworthy, easy-to-understand resource for kids to study and memorize today—and to live and share for a lifetime.

**A Dictionary of the Bible** John Brown 1866

**Apostles and Prophets** Opoku Onyinah 2022-01-27 This book is an attempt to trace and find out the role of apostles and prophets in the Bible, and then share these in a practical way to help the church of today. It distinctively goes beyond the purview of the New Testament into the Old Testament, and some ancient literature, to bring out the wealth and depth of the subject, and then makes a case for it. Among others, this book deals with the call of God, the constitution and functions of a prophet and of an apostle, Spiritual gifts, the difference between apostles and prophets, and how to test the manifestation of the Spirit. One important issue, which this book addresses, is how the leadership of the church dropped from apostles to bishops. You will enjoy reading it.

**NIV, Starting Place Study Bible** Zondervan, 2019-02-26

Sometimes the hardest part of beginning is knowing where to start! *Education Is Discipleship: So Who's Really Discipling Your Kids?* Dr. Christy Anderson

*Boys Who Became Prophets* Lynda Cory Robison 1998-01-01 Brief childhood biographies of fifteen prophets of The Church of Jesus Christ of Latter-day Saints, from Joseph Smith and Brigham Young to Howard W. Hunter and Gordon B. Hinckley.

**Legends of the Patriarchs and Prophets** Sabine Baring-Gould 2015-04-20 An incredible number of legends exists connected with the personages whose history is given in the Old Testament. The collection now presented to the public must by no means be considered as exhaustive. The compiler has been obliged to limit himself as to the number, it being quite impossible to insert all. He trusts that few of peculiar interest have been omitted. The Mussulman traditions are nearly all derived from the Talmudic writers, just as the history of Christ in the Koran is taken from the Apocryphal Gospels. The Koran follows the "Sepher Hajaschar" (Book of the Just) far more closely than the canonical Scriptures; and the "Sepher Hajaschar" is a storehouse of the Rabbinic tradition on the subject of the Patriarchs from Adam to Joshua. The Jewish traditions are of various value. Some can be traced to their origin without fail. One class is derived from Persia, as, for instance, those of Asmodeus, the name of the demon being taken, along with his story, from Iranian sources. Another class springs from the Cabbalists, who, by permutation of the letters of avi name, formed the nuclei, so to speak, from which legends spread. Another class, again, is due to the Rabbinic commentators, who, unable to allow for poetical periphrasis, insisted on literal interpretations, and then coined fables to explain them. Thus the saying of David, "Thou hast heard me from among the horns of the unicorns," which signified that David was assisted by God in trouble, was taken quite literally by the Rabbis, and a story was invented to explain it. Another class, again, is no doubt due to the exaggeration of Oriental imagery, just as that previously

mentioned is due to the deficiency of the poetic fancy in certain Rabbis. Thus, imagination and defect of imagination, each contributed to add to the store. But when we have swept all these classes aside, there remains a residuum, small, no doubt, of genuine tradition. To this class, if I am not mistaken, belong the account of Lamech and his wives, and the story of the sacrifice of Isaac. In the latter instance, the type comes out far clearer in the Talmudic tradition than in the canonical Scriptures; and this can hardly have been the result of Jewish interpolation, knowing, as they did, that Christians pointed triumphantly to this type. With regard to Jewish traditions, it is unfortunate that both Eisenmenger and Bartolucci, who collected many of them, were so prejudiced, so moved with violent animosity against the Rabbinic writers, that they preserved only the grotesque, absurd, and indecent legends, and wholly passed over those—and there are many of them—which are redolent of poetry, and which contain an element of truth. A certain curious interest attaches to these legends—at least, I think so; and, should they find favor with the public, this volume will be followed by another series on the legends connected with the New Testament characters. The author is not aware of any existing collection of these legends, except that of M. Colin de Plancy, “Legendes de l’Ancien Testament,” Paris, 1861; but he has found this work of little or no use to him in composing his volume, as M. de Plancy gives no reference to authorities; and also, because nearly the whole of the contents are taken from D’Herbelot’s “Bibliothèque Orientale” and Migne’s “Dictionnaire des Apocryphes.” To be continued in this ebook
