*The Newspaper of Claremont Street*  
Elizabeth Jolley 2000 This is the story of an old cleaning woman, known as Weekly, or 'The Newspaper'. Unknown to the residents

of Claremont Street, for whom she works, Weekly dreams of escape - escape from the parasitic demands of both her past and her present. Weekly is one of Elizabeth Jolly's major creations; one of the wiry survivors

whose vulnerability is Jolley's special task of illumination. This character is perhaps the author's outstanding achievement to date, and is created with humour, sharpness, not a little sympathy, and finally, a sort of desperate calm.

We That Were Young Irene Rathbone 1989

This fierce anti-war novel by Irene Rathbone (1892-1980) is told from the perspective of a cultured former suffragist and several of her friends- young women who work at rest camps just behind the lines in France and as nurses of the severely wounded in hospitals in London. When Joan loses both her brother and lover to the war, in anger at the enemy she volunteers for work in a munitions plant- but by the end, she is a confirmed pacifist.

Phoenix Fleed Attia Hosain 2021-08-19

'There is so much to love and admire in these stories - their understanding of heartbreak, their attention to affection and

love across many divides' KAMILA SHAMSIE 'Listen to me, child. You will be a woman soon and must behave well and with modesty. The Kazi will ask you three times whether you will marry Kalloo Mian. Now don't you be shameless, like these modern girls, and shout gleefully "Yes". Be modest and cry softly and say "Hoon".' A marriage is arranged between a little servant girl and a middle-aged cook with an opium habit; an idealistic political worker faces disillusionment; a man returns from years studying in England to a wife he scarcely knows; a conventional bride has her first encounter with her husband's 'emancipated' friends. Telling of the lives of servants and children, of conflict between the old traditions and new ways, and exploring the human repercussions of the Muslim/Hindu divide, these twelve stories present a moving and vivid picture of life in India in the mid-twentieth century. To each

episode Attia Hosain brings a superb imaginative understanding and a sense of the poignancy of the smallest of human dramas. Attia Hosain published only two books, but her writing has influenced generations of writers. Discover Sunlight on a Broken Column, Hosain's acclaimed only novel - a coming-of-age story set against the turbulent background of Partition, also published in Virago Modern Classics.

**The Flint Anchor** Sylvia Townsend Warner 2022-05-31 'A comic masterpiece' Patrick Gale, Guardian Pillar of society and stern upholder of Victorian values, god-fearing Norfolk merchant John Barnard presides over a large and largely unhappy family. This is their story - his brandy-swilling wife, their hapless offspring and their changing fortunes - over the decades. Sylvia Townsend Warner's last novel, The Flint Anchor gloriously overturns our ideas of history, family and storytelling itself. 'A

novel created with solidity and subtlety of feeling, a fusion of warmth, wit and quietly biting shrewdness that are reminiscent of Jane Austen' Atlantic Review 'As a sustained work of historical imagination, it has few rivals ... one of the most acute and intelligent writers of her age' Claire Harman

*Kissing Architecture* Sylvia Lavin

2011-05-09 *Kissing Architecture* explores the mutual attraction between architecture and other forms of contemporary art. In this fresh, insightful, and beautifully illustrated book, renowned architectural critic and scholar Sylvia Lavin develops the concept of "kissing" to describe the growing intimacy

between architecture and new types of art--particularly multimedia installations that take place in and on the surfaces of buildings--and to capture the sensual charge that is being designed and built into architectural surfaces and interior spaces today. Initiating readers into the guilty pleasures of architecture that abandons the narrow focus on function, Lavin looks at recent work by Pipilotti Rist, Doug Aitken, the firm Diller Scofidio + Renfro, and others who choose instead to embrace the viewer in powerful affects and visual and sensory atmospheres. *Kissing Architecture* is the first book in a cutting-edge new series of short, focused arguments written by leading critics, historians, theorists, and practitioners from the world of urban development and contemporary architecture and design. These books are intended to spark vigorous debate. They stake out the positions that will help shape

the architecture and urbanism of tomorrow. Addressing one of the most spectacular and significant developments in the current cultural scene, *Kissing Architecture* is an entertainingly irreverent and disarmingly incisive book that offers an entirely new way of seeing--and experiencing--architecture in the age after representation.

**The Orlando Trilogy** Isabel Colegate 1996  
Isabel Colegate's renowned trilogy tells the story of Orlando King, who rose to ambiguous power during the moral confusion of the 1930s, his spectacular downfall and the troubled legacy bequeathed to his divided family. As the 1950s draw to a close, his courageous daughter Agatha accomplishes the painful resolution. Echoes of Greek tragedy and myth add depth to Colegate's vivid account of three turbulent decades.

**Try Anything Twice** Jan Struther 1990  
More essays and sketches from the author

of *Mrs Miniver*. Jan Struther (1909-1953) was the pen name of Joyce Maxtone Graham. The pieces in this book first appeared in the *Spectator*, *New Statesman*, *Punch* and other journals.

*Phoebe Junior* Margaret Oliphant  
2002-04-17 Margaret Oliphant, one of the most prolific and popular Victorian novelists, essayists, and reviewers, has been compared both in her day and our own to George Eliot. Oliphant wrote domestic novels that richly represent the broad social, political, and religious contexts of Victorian England. The Broadview edition of *Phoebe Junior*, the last novel in Oliphant's *Chronicles of Carlingford* series, restores the earliest extant text. The supplemental materials provide a rich background for examining key nineteenth-century issues such as religion and church reform, gender and the woman question, society and politics. They include excerpts from

contemporary novels and poetry;  
newspaper articles; reviews; essays;  
polemic on religion and church reform;  
materials on gender and the woman  
question, and on etiquette and dress.

**Afternoon Of A Good Woman** Nina  
Bawden 2011-05-05 Today, Tuesday, the  
day that Penelope has chosen to leave her  
husband, is the first really warm day of  
spring...' Penelope has always done her  
best to be a good wife, a good mistress, a  
good mother - and a good magistrate.  
Today she is more conscious than usual of  
the thinness of the thread that distinguishes  
good from bad, the law-abiding from the  
criminal. Sitting in court, hearing a short,  
sad case of indecent exposure and a long,  
confused theft, she finds herself examining  
her own sex life (how would all that sound  
in court?) her own actions and intentions  
while she observes the defendants in the  
dock. This novel is a tour-de-force, an

ingeniously constructed novel in which  
Nina Bawden counterpoints public  
appearance with private behaviour in her  
heroine, Penelope. The result is a  
marvellous picture of a not always  
admirable but engagingly complex and very  
human heroine. As always, Bawden offers a  
compelling story, sharply witty and  
beautifully observed. But it is also an  
honest and provocative book tracing the  
divergent courses of morality and justice,  
and uncomfortably posing, as Penelope  
does of herself, the question: who and what  
is a good woman?

**As Once in May** Antonia White 2006-08

Throughout her life, Antonia White

struggled with a formidable writer's block: the FROST IN MAY quartet was thought to be her final achievement. Yet on her death, this extraordinary work - her autobiography up to the age of six - was discovered among her papers. The freshness and vitality with which Antonia White recorded her much younger self is breathtaking. A writer with the phenomenal power of almost total recall, she recreates her capricious and extravagant mother and the indomitable father she both feared and adored, who taught Antonia the first line of the Iliad when she was three. Here, too, are perfect vignettes: the glorious bridesmaid's hat which her mother later appropriated; love at first sight in Kensington Gardens and games of Mr and Mrs John Barker in the nursery. Much more than an evocation of childhood, AS ONCE IN MAY illuminates the woman and writer Antonia White was to become. It is an essential and enthralling

companion to her fiction.

**A Wreath for the Enemy** Pamela Frankau 1954

**Honourable Estate** Vera Brittain 2000

Young Janet Harding is still grieving when she accepts a proposal from Reverend Rutherford, the kindly vicar who befriended her during her mother's last illness. Her ambitions to further the suffragette cause are hampered, though, by her early pregnancy with a son, Denis, and life in the spa town of Sterndale is increasingly

stifling... Stephen Allendeyne, heir to Dene Hall, prides himself on his marriage to Jessie Penryder, an impoverished governess with little respect for his smug family but plenty of social ambition. At odds in all else, the couple are united in their scorn for daughter Ruth's preference for work, ideas and freedom over marriage... In the aftermath of WWI, Ruth and Denis meet each other through work in Eastern Europe. The scars of their pasts and of the war itself are diminished in a determination to forge a new kind of marriage.

**Good Daughters** Mary Hocking

2016-02-25 'What's so special about a son? Why doesn't she care about her daughters?' Mary Hocking brings good humour and sympathy to her depiction of the Fairley sisters growing up in their close-knit West London neighbourhood before, during and after the war. Here, in the first novel of a trilogy, the girls are sheltered in a world

whose traditions of hard work and frugality are upheld by their Methodist father, Stanley, and their strong quiet mother, Judith. But, as love comes to Louise and adventures tempt Alice and her friend, unease lurks and terrible rumours travel from Germany - auguries of the catastrophe to come.

*A Very Great Profession* Nicola Beauman 2008 A very great profession, first published in 1983, looks at women like Katherine in Virginia Woolf's *Night and Day* ('Katharine, thus, was a member of a very great profession which has, as yet, no title and very little recognition... She lived at home') and Laura, the heroine of *Brief Encounter*, women whose lives and habits were wonderfully recorded in the fiction of the time. Drawing on the novels to illuminate themes such as domestic life, romantic love, sex, psychoanalysis, the Great War and 'surplus' women, *A Very*

*Great Profession* uses the work of numerous women writers to present a portrait, through their fiction, of middle-class Englishwomen in the period between the wars.

*After the Death of Don Juan* Sylvia Townsend Warner 2022-05-31 'She has a talent amounting to genius' John Updike *Don Juan*, that notorious libertine, has disappeared. Has he been dragged down to hell by demons, as rumoured - or has he escaped? Doña Ana, the woman he tried to seduce, will stop at nothing to discover the truth. Set in a rural eighteenth-century Spain rife with suspicion and cruelty, and featuring a glorious cast of peasants, aristocrats and vengeful ghosts, this moving, surprising tragicomedy is also Sylvia Townsend Warner's response to the

dark days of the Spanish Civil War. 'The kind of novelist who inspires an intense sense of ownership in her fans' Sarah Waters

The Echoing Grove Rosamond Lehmann  
2015-07-21 Two sisters fall for the same man in this New York Times–bestselling novel of WWII-era England by an “immensely readable” author (Elizabeth Jane Howard). Rickie Masters is married to Madeleine, who is sitting out the war in the country with their children. Their domestic serenity is shattered when Rickie falls in love with Madeleine’s sister, Dinah, and they begin a clandestine, guilt-ridden affair. When Madeleine discovers their infidelity, accusations are hurled and hard choices are made. Then, a year before the war officially ends, tragedy strikes, and it is only after an estrangement of fifteen years that Madeleine and Dinah will begin to struggle toward some kind of reconciliation. Shifting

between the three characters’ viewpoints, and shuttling seamlessly between past and present, The Echoing Grove is a story of life: messy, unpredictable, and unstoppable. It is about family, the things that hold us accountable, the events that lead to life-altering decisions, and the emotions that make us human. And above all it is about love: romantic love, married love, familial love, and illicit love. The heart wants what it wants, regardless of the cost.

**Welcome Strangers** Mary Hocking  
2016-02-25 As the 1939-1945 war slows to a clumsy halt, a trembling world holds out its arms to welcome peace back home again. Alice Fairley, her friends and her family are surprised to find themselves so unprepared for peacetime. In a way, it's like starting all over again: all the things one was confident about have disappeared or changed shape somehow, while things which were acceptable, or even pleasant,

now seem different, dull, irksome. Noisy whispers of spy-rings and foreign conspiracies provoke shockwaves of malice and stinging intolerance. The world has grown up. Quickly, they discover that the battle is not over yet . . . persistent spectres of duty and guilt pick their victims indiscriminately.

**The Bay of Noon** Shirley Hazzard  
2003-10-01 Long out of print, Shirley Hazzard's classic novel of love and memory A young Englishwoman working in Naples, Jenny comes to Italy fleeing a history that threatened to undo her. Alone in the fabulously ruined city, she idly follows up a letter of introduction from an acquaintance and thus changes her life forever. Through the letter, she meets Giocanda, a beautiful and gifted writer, and Gianni, a famous Roman film director and Giocanda's lover. At work she encounters Justin, a Scotsman whose inscrutability Jenny finds

mysteriously attractive. As she becomes increasingly involved in the lives of these three, she discovers that the past--and the patterns of a lifetime--are not easily discarded.

*Loving And Giving* Molly Keane 2015-01-22

In 1914, when Nicandra is eight, all is well in the grand Irish estate, Deer Forest. Maman is beautiful and adored. Dada, silent and small, mooches contentedly around the stables. Aunt Tossie, of the giant heart and bosom, is widowed but looks splendid in weeds. The butler, the groom, the landsteward, the maids, the men - each

as a place and knows it. Then, astonishingly, the perfect surface is shattered; Maman does something too dreadful ever to be spoken of. 'What next? Who to love?' asks Nicaranda. And through her growing up and marriage her answer is to swamp those around her with kindness - while gradually the great house crumbles under a weight of manners and misunderstanding.
