Fabric of a Nation Jason Stacy 2020-01-28 In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift

in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

AP Us Hist 2016 John J. Newman 2016-01-01 Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the

The Gettysburg Address

Abraham Lincoln
2017-05-15 The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated

those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the

United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

The Poems of Phillis

Wheatley Phillis Wheatley

2021-03-02 Poems on

Various Subjects, Religious and Moral (1773) is the first book of poetry published by an African American author. Written while Wheatley was a slave in Boston, the collection was published in England. Regarded for her mastery of classical poetic form, Phillis Wheatley earned praise from Voltaire and George Washington. *Poems on Various Subjects, Religious and Moral* has long been the subject of scholarly work on the history of African American literature, with some critics arguing that Wheatley's poems proved detrimental to the struggle of enslaved African Americans. Whether Wheatley made excuses for slavery or, as some have argued, included subtle critiques of the institution in her writing, her talent and importance to the history of African American literature remain undisputed. Despite

her status as a slave, Phillis Wheatley seems to have viewed herself as a blessed individual, a woman for whom life itself was a sign of God's grace, and in whom talent arose in the form of a foreign language. Many of her poems—elegies, odes, and monologues—are aimed at others. Whether in mourning, in praise, or in warning, Wheatley frequently offers her own voice to university students, royalty, God, the muses, and deceased infants. When she does offer glimpses of herself, for instance, in her poem "On Being Brought from Africa to America," she provides a complex perspective on her status as a slave: "'Twas mercy brought me from my Pagan land, / Taught my benighted soul to understand / That there's a God, that there's a Saviour too." While her words may seem strange to our modern view of the American institution of slavery, they provide an important historical lens.

onto the adoption of Christianity by African American slaves, who developed a faith grounded in resistance, hope, and redemption. With a beautifully designed cover and professionally typeset manuscript, this edition of Phillis Wheatley's Poems on Various Subjects, Religious and Moral is a classic of African American literature reimagined for modern readers.

Sociology for the South

George Fitzhugh 1854
Sociology for the South: Or, The Failure of Free Society by George Fitzhugh, first published in 1854, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life.

Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

World Report 2011 Human Rights Watch 2011-01-04 Human Rights Watch is increasingly recognized as the world's leader in building a stronger awareness for human rights. Their annual World Report is the most probing review of human rights developments available anywhere. Written in straightforward, non-technical language, Human Rights Watch World Report

prioritizes events in the most affected countries during the previous year. The backbone of the report consists of a series of concise overviews of the most pressing human rights issues in countries from Afghanistan to Zimbabwe, with particular focus on the role—positive or negative—played in each country by key domestic and international figures. Highly anticipated and widely publicized by the U.S. and international press every year, the World Report is an invaluable resource for journalists, diplomats, and all citizens of the world.

King Leopold's Ghost

Adam Hochschild

2019-05-14 With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took

hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, King Leopold's Ghost is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame

on those responsible for this atrocity.

The American Yawp Joseph L. Locke 2019-01-22 "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common

threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and

investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Narrative of the Life of

Frederick Douglass, an

American Slave Frederick

Douglass 2019-06-12

Narrative of the Life of

Frederick Douglass is an

1845 memoir and treatise

on abolition written by

famous orator and former

slave Frederick Douglass

during his time in Lynn,

Massachusetts. It is

generally held to be the

most famous of a number of

narratives written by former

slaves during the same

period. In factual detail, the

text describes the events of

his life and is considered to
be one of the most

influential pieces of

literature to fuel the

abolitionist movement of the

early 19th century in the

United States. Narrative of

the Life of Frederick

Douglass encompasses

eleven chapters that

recount Douglass's life as a

slave and his ambition to

become a free man.

Grimké 2020-07-16

Reproduction of the original: Appeal To the Christian Women of the South by A.E Grimké

World Civilizations Peter

N. Stearns 2007 With 83 additional outline and four-color maps, World Civilizations: The Global Experience, Fifth Edition, Atlas Edition, helps students with geography, one of the most difficult aspects of World history courses for many. The maps are accompanied by review questions that call on students to identify important geographical areas and think critically about the connection between geography and historical events. The maps are on perforated pages and are organized by chapter so that they can be assigned easily and collected. The primary goal of World Civilizations is to present a truly global history—since the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts.

This global world history

Downloaded from

text emphasizes the major stages in the interactions among different peoples and societies, while also assessing the development of major societies.

Presenting social and cultural as well as political and economic aspects, the book examines key civilizations in world history. World Civilizations balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

The Age of Revolution

Eric J. Hobsbawm 1977-01

Marsilius of Padua: The Defender of the Peace

Marsilius of Padua

2005-11-24 The Defender of the Peace of Marsilius of Padua is a massively influential text in the history of western political thought. Marsilius offers a detailed analysis and explanation of human political communities, before going on to attack what he sees as the obstacles to peaceful

human coexistence - principally the contemporary papacy. Annabel Brett's authoritative rendition of the Defensor Pacis was the first new translation in English for fifty years, and a major contribution to the series of Cambridge Texts: all of the usual series features are provided, included chronology, notes for further reading, and up-to-date annotation aimed at the student reader encountering this classic of medieval thought for the first time. This edition of The Defender of the Peace is a scholarly and a pedagogic event of great importance, of interest to historians, political theorists, theologians and philosophers at all levels from second-year undergraduate upwards.

History of the Persian Empire A. T. Olmstead 2022-08-29 Out of a lifetime of study of the ancient Near East, Professor Olmstead has gathered previously unknown material into the story of the life, times, and thought of the Persians, told for the first time from the Persian rather than the traditional Greek point of view. "The fullest and most reliable presentation of the history of the Persian Empire in existence."—M. Rostovtzeff

Flush Times and Fever

Dreams Joshua D. Rothman 2012-11-01 In 1834 Virgil Stewart rode from western Tennessee to a territory known as the "Arkansas morass" in pursuit of John Murrell, a thief accused of stealing two slaves. Stewart's adventure led to a sensational trial and a wildly popular published account that would ultimately help trigger widespread violence during the summer of 1835, when five men accused of being professional gamblers were hanged in Vicksburg, nearly a score of others implicated with a gang of supposed slave thieves were executed in plantation districts, and even those who tried to stop the bloodshed found themselves targeted as dangerous and subversive. Using Stewart's story as his point of entry, Joshua D. Rothman details why these events, which engulfed much of central and western Mississippi, came to pass. He also explains how the events revealed the

fears, insecurities, and anxieties underpinning the cotton boom that made Mississippi the most seductive and exciting frontier in the Age of Jackson. As investors, settlers, slaves, brigands, and fortune-hunters converged in what was then America's Southwest, they created a tumultuous landscape that promised boundless opportunity and spectacular wealth. Predicated on ruthless competition, unsustainable debt, brutal exploitation, and speculative financial practices that looked a lot like gambling, this landscape also produced such profound disillusionment and conflict that it contained the seeds of its own potential destruction. Rothman sheds light on the intertwining of slavery and capitalism in the period leading up to the Panic of 1837, highlighting the deeply American impulses underpinning the evolution of the slave South

and the dizzying yet unstable frenzy wrought by economic flush times. It is a story with lessons for our own day. Published in association with the Library Company of Philadelphia's Program in African American History. A Sarah Mills Hodge Fund Publication.

American Revolution Considered as a Social Movement

John Franklin Jameson 2015-05-28

Written when political and military history dominated the discipline, J. Franklin Jameson's *The American Revolution Considered as a Social Movement* was a pioneering work. Based on a series of four lectures he gave at Princeton University in 1925, the short book argued that the most salient feature of the American Revolution had not been the war for independence from Great Britain; it was, rather, the struggle between aristocratic values and those of the common people who tended toward a

*Downloaded from
[bucksandjakes.com](https://www.bucksandjakes.com) on
December 3, 2022 by
guest*

leveling democracy. American revolutionaries sought to change their government, not their society, but in destroying monarchy and establishing republics, they in fact changed their society profoundly. Jameson wrote, "The stream of revolution, once started, could not be con.ned within narrow banks, but spread abroad upon the land." Jameson's book was among the first to bring social analysis to the fore of American history. Examining the effects the American Revolution had on business, intellectual and religious life, slavery, land ownership, and interactions between members of different social classes, Jameson showed the extent of the social reforms won at home during the war. By looking beyond the political and probing the social aspects of this seminal event, Jameson forced a reexamination of revolution as a social phenomenon and, as one reviewer put it,

injected a "liberal spirit" into the study of American history. Still in print after nearly eighty years, the book is a classic of American historiography. *ORATION BY FREDERICK DOUGLASS* Frederick 1818-1895 Douglass 2016-08-29 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
