The Incredibly Dead Pets of Rex Dexter

Aaron Reynolds 2022-03-08 New York Times best-selling author Aaron Reynolds delivers an "entertainingly spooky romp" (Publishers Weekly, starred review) about Rex Dexter, who is itching to have a dog . . . but ends up with a pet chicken. One hour and fourteen minutes later, the chicken is dead (by a steamroller), Rex is cursed (by the Grim Reaper), and wild animals are haunting Rex's room (hounding him for answers). Even his best friend Darvish is not going to believe this, and that kid believes everything! Rex's uninvited ghostly guests are a chatty, messy bunch. And they need Rex to solve their mysterious, deadly

departures from the Middling Falls Zoo before it happens again. But how?

Evelina Fanny Burney 2020-04-27 CAN any thing, my good Sir, be more painful to a friendly mind, than a necessity of communicating disagreeable intelligence? Indeed it is sometimes difficult to determine, whether the relator or the receiver of evil tidings is most to be pitied. I have just had a letter from Madame Duval; she is totally at a loss in what manner to behave; she seems desirous to repair the wrongs she has done, yet wishes the world to believe her blameless. She would fain cast upon another the odium of those misfortunes for which she alone is answerable. Her letter is violent, sometimes abusive, and that of you!-you, to whom she is under obligations which are greater even than her faults, but to whose advice she wickedly imputes all the sufferings of her much injured daughter, the late Lady Belmont. The chief purport of her writing I will acquaint you with; the letter itself is not worthy your notice.

Delta Of Venus Anaïs Nin 2004-02-02 From influential feminist artist and essayist Anaïs Nin, *Delta of Venus* is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book

Review). Anais Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly elegant naughtiness."—Cosmopolitan

Capitalism's Achilles Heel Raymond W. Baker 2005-08-05 For over forty years in more than sixty countries, Raymond Baker has witnessed the free-market system operating illicitly and corruptly, with devastating consequences. In *Capitalism's Achilles Heel*, Baker takes readers on a fascinating journey through the global free-market system and reveals how dirty money, poverty, and inequality are inextricably intertwined. Readers will discover how small illicit transactions lead to massive illegalities and how staggering global income disparities are worsened by the illegalities that permeate international capitalism. Drawing on his experiences, Baker shows how Western banks and businesses use secret transactions and ignore laws while handling some \$1 trillion in illicit proceeds each year. He also illustrates how businesspeople, criminals, and kleptocrats perfect the same techniques to shift funds and how these tactics negatively affect individuals, institutions, and countries.

Flatland Edwin A. Abbott 2006-07-13

'Upward, yet not Northward.' How would a creature limited to two dimensions be able to grasp the possibility of a third? Edwin A. Abbott's droll and delightful 'romance of many dimensions' explores this conundrum in the experiences of his protagonist, A Square, whose linear world is invaded by an emissary Sphere bringing the gospel of the

third dimension on the eve of the new millennium. Part geometry lesson, part social satire, this classic work of science fiction brilliantly succeeds in enlarging all readers' imaginations beyond the limits of our 'respective dimensional prejudices'. In a world where class is determined by how many sides you possess, and women are straight lines, the prospects for enlightenment are boundless, and Abbott's hypotheses about a fourth and higher dimensions seem startlingly relevant today. This new edition of Flatland illuminates the social and intellectual context that produced the work as well as the timeless questions that it raises about the limits of our perception and knowledge. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Liquid Modernity Zygmunt Bauman

2013-07-10 In this new book, Bauman examines how we have moved away from a 'heavy' and 'solid', hardware-focused modernity to a 'light' and 'liquid', software-based modernity. This passage, he argues, has brought profound change to all aspects of the human condition. The new remoteness and un-reachability of global systemic structure coupled with the unstructured and under-defined, fluid state of the immediate setting of life-politics and human togetherness, call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history. This book is dedicated to this task. Bauman selects five of the basic concepts which have served to make sense of shared human life - emancipation, individuality, time/space, work and community - and traces their successive incarnations and changes of meaning. Liquid Modernity concludes the analysis undertaken in Bauman's two previous books Globalization: The Human Consequences and In Search of Politics. Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today.

Shadow (ndebele) 1938 Created between

2015-16 SHADOW is a short film work, photography project and exhibition incorporating five site-specific interventions onto post-war Australian red-brick suburban homes."In creating and documenting these house interventions Strange transforms these iconic red-brick Australian homes into a void etched out of the landscape. Symbolically erasing the homes with black paint and rendering the familiar architecture unfamiliar, questioning them as an icon which has inform so much of Australia's national identity and subsequently obscured a deeper history."SHADOW is a continuation of Strange's ongoing architectural interventions and exhibitions of film, photographic works and sculptural artifacts which have taken place in the USA, Poland, New Zealand, Australia and Japan

The Devil's Dictionary Ambrose Bierce 1911
Bierce exploits the comic potential of the
dictionary format to mock the doublespeak
prominent in post-Civil War politics. Using
short, pithy entries on a variety of subjects,
this "reference book" inverts the meaning of
words, skewers popular hypocrisy and
showcases Bierce's dark humor. Many of
these entries began as newspaper columns
Bierce wrote in the 1870s. One hundred
years later, it is clear that the America he
lampoons is not that different from our own.

Blink Malcolm Gladwell 2007-04-03 From the
#1 bestselling author of *The Bomber Mafia*,
the landmark book that has revolutionized
the way we understand leadership and
decision making. In his breakthrough
bestseller *The Tipping Point*, Malcolm
Gladwell redefined how we understand the
world around us. Now, in *Blink*, he
revolutionizes the way we understand the
world within. *Blink* is a book about how we
think without thinking, about choices that
seem to be made in an instant--in the blink
of an eye--that actually aren't as simple as
they seem. Why are some people brilliant
decision makers, while others are
consistently inept? Why do some people
follow their instincts and win, while others
end up stumbling into error? How do our
brains really work--in the office, in the
classroom, in the kitchen, and in the
bedroom? And why are the best decisions
often those that are impossible to explain to
others? In *Blink* we meet the psychologist
who has learned to predict whether a

marriage will last, based on a few minutes of
observing a couple; the tennis coach who
knows when a player will double-fault before
the racket even makes contact with the ball;
the antiquities experts who recognize a fake
at a glance. Here, too, are great failures of
"blink": the election of Warren Harding;
"New Coke"; and the shooting of Amadou
Diallo by police. *Blink* reveals that great
decision makers aren't those who process
the most information or spend the most
time deliberating, but those who have
perfected the art of "thin-slicing"--filtering
the very few factors that matter from an
overwhelming number of variables.

Anti-Intellectualism in American Life
Richard Hofstadter 2012-01-04 Winner of
the 1964 Pulitzer Prize in Nonfiction *Anti-
Intellectualism in American Life* is a book
which throws light on many features of the
American character. Its concern is not
merely to portray the scorners of intellect in
American life, but to say something about
what the intellectual is, and can be, as a
force in a democratic society. "As Mr.
Hofstadter unfolds the fascinating story, it is
no crude battle of eggheads and fatheads. It
is a rich, complex, shifting picture of the life
of the mind in a society dominated by the
ideal of practical success." —Robert Peel in
the *Christian Science Monitor*

The Sailor's Word-book William Henry Smyth 1867

The Life and Adventures of Joaquín Murieta John Rollin Ridge 2021-06-01 The Life and Adventures of Joaquin Murieta (1854) is a novel by John Rollin Ridge. Published under his birth name Yellow Bird, from Cheesquatalawny in Cherokee, The Life and Adventures of Joaquin Murieta was the first novel from a Native American author. Despite its popular success worldwide—the novel was translated into French and Spanish—Ridge's work was a financial failure due to bootleg copies and widespread plagiarism. Recognized today as a groundbreaking work of nineteenth century fiction, The Life and Adventures of Joaquin Murieta is a powerful novel that investigates American racism, illustrates the struggle for financial independence among marginalized communities, and dramatizes the lives of outlaws seeking fame, fortune, and vigilante justice. Born in Mexico, Joaquin Murieta came to California in search of gold. Despite his belief in the American Dream, he soon faces violence and racism from white settlers who see his success as a miner as a personal affront. When his wife is raped by a mob of white men and after Joaquin is beaten by a group of horse thieves, he loses all hope of living alongside Americans and turns to a life of vigilantism. Joined by a posse of similarly enraged Mexican-American men, Joaquin becomes a fearsome bandit with a reputation for brutality and stealth. Based on the life of Joaquin Murrieta Carrillo, also known as The Robin Hood of the West, The Life and Adventures of Joaquin Murieta would serve as inspiration for Johnston McCulley's beloved pulp novel hero Zorro. With a beautifully designed cover and professionally typeset manuscript, this edition of John Rollin Ridge's The Life and Adventures of Joaquin Murieta is a classic work of Native American literature reimaged for modern readers.

The Boy at the Back of the Class Onjali Q. Raúf 2019-08-06 Told with humor and heart, The Boy at the Back of the Class offers a child's perspective on the refugee

crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy--he doesn't seem to smile, and he doesn't talk much. But after learning that Ahmet fled a Very Real War and was separated from his family along the way, a determined group of his classmates bands together to concoct the Greatest Idea in the World--a magnificent plan to reunite Ahmet with his loved ones. This accessible, kid-friendly story about the refugee crisis highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home. "This moving and timely debut novel tells an enlightening, empowering, and ultimately hopeful story about how compassion and a willingness to speak out can change the world." --School Library Journal, Starred Review Overall Winner of the 2019 UK Waterstones Children's Book Prize Winner of the 2019 UK Blue Peter Book Award A CLIP Carnegie Medal Children's Book Award Nominee

Stick Dog Wants a Hot Dog Tom Watson 2013-10-08 Perfect for fans of the Dog Man, Big Nate, Timmy Failure, and Diary of a Wimpy Kid books, Stick Dog and his friends are back, and they're hungrier than ever! As the dogs embark on their quest for hot dogs, they learn they're not the only ones on a mission—a band of raccoons is following close behind, and they're ravenous, too! In this second book in the series, Stick Dog and his four friends, Poo-Poo, Mutt, Stripes, and Karen, must execute a master plan for stealing hot dogs. The closer they get to the hot dog vendor, the more difficult their mission becomes. The five dogs are met with many funny challenges along the way,

including having to distract the frankfurter guy and Karen getting locked in a human's house. No matter what, these dogs have their eyes—and stomachs—on the prize. With hilarious text and stick-figure drawings, reluctant readers will eat this one up! Other favorites in the series include *Stick Dog Dreams of Ice Cream*, *Stick Dog Chases a Pizza*, and many more!

The Silver Crown Robert C. O'Brien 2021-06-01 In this gripping and memorable middle grade fantasy from Newbery Medal-winning author Robert C. O'Brien, good and evil are locked in battle and the balance between the two can only be restored by one young girl's determination to set things right. "It lay beside her on the pillow, shinier than silver, glowing softly, with twinkling blue stones set all around....It did not occur to her to wonder from whom it had come; she was merely aware that it was hers by right." Ellen awakens one morning with a mysterious silver crown on the pillow beside her. What magic powers it possesses she has not yet discovered, but the sudden changes in her life are unmistakable: her house is burned down, her family has disappeared, and a man in a dark uniform is stalking her. Can Ellen ever find her family? Can she use the power of the silver crown to thwart the powers of darkness? What diabolical force hides inside the mysterious castle in the woods?
