Well+Good's Eating for Wellness Alexia Brue 2019 Well + Good's Eating for Wellness is the go-to authority for treating yourself right. These 100 recipes (50% of which are new and exclusive) are contributed by trusted voices in a variety of fields, including Gabby Bernstein (spirituality), Bobbi Brown (beauty), Joey Gonzalez (fitness), Candice Kumai (nutrition), and more. These are the recipes your wellness idols rely on every day in their busy, real lives-- and now you'll be able to do the same. The health factor in these recipes is implicit, of course, and will be denoted with the expected tags like vegan, paleo, gluten-free, and keto. But in addition, each recipe offers specific wellness factors, which will also be denoted-- Better Skin, Better Sleep, Better Sex, Better Mood, Better Focus, Better Digestion, Better Energy. The recipes are organized by meal, but the book also contains a wellness index so you can act on your specific goals. Use the book whichever way works best for you, and know you'll feel like the best version of yourself.

Digital Wellness, Health and Fitness Influencers Stefan Lawrence 2022-10-07 This book examines the phenomenon of 'digital guru media' (DGM), the self-styled online influencers, life coaches, experts and entrepreneurs who post on the themes of wellness, health and fitness. It opens up new perspectives on digital leisure and internet celebrity

culture, and asks important questions about the social, cultural and psychological implications of our contemporary relationship with digital media. Drawing on cutting-edge social theory, the book explores a wide range of contexts in which DGM intersects with digital leisure, from the health-related learning of young people to the 'clean eating' movement, to the online lives of fitness professionals. It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real-world or analogue support, as well as potential solutions, for our wellness, health and fitness needs and wants. Bringing together innovative, multi-disciplinary perspectives, this book is fascinating reading for anybody with an interest in leisure studies, media studies, cultural studies, sociology, or health and society.

Women Sport Fans Kim Toffoletti 2017-06-26 Women worldwide are making their presence felt as sport fans in rapidly increasing numbers. This book makes a distinctive and innovative contribution to the study of sport fandom by exploring the growing visibility and interest in women who follow sport. It presents the latest data on women's sport spectatorship in different regions of the world, posing new theoretical paradigms to study the globalised nature of female sport fandom. This book goes beyond conventional approaches to analysing the practices of women sport fans. By using a critical feminist perspective to investigate cultural conditions and social contexts (including globalisation, digital networked technologies, consumerism, neoliberalism and postfeminism), it brings into view a diversity of women's voices and experiences as sport fans. It sheds new light on the power dynamics of gender, ethnicity and sexuality influencing women's participation in sport spectatorship and interrogates the ways female sport fandom is made visible through transnational media networks. Women Sport Fans: Identification, Participation, Representation is fascinating reading for all those interested in sport and gender, the sociology of sport, or women's studies.

Squeaky Clean Keto Mellissa Sevigny 2020-06-16

The Skinny Confidential Lauryn Evarts 2014-03-04 A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

New Sporting Femininities Kim Toffoletti 2018-06-25 This edited collection critically explores new and emerging models of female athleticism in an era characterised as postfeminist. It approaches postfeminism through a critical lens to investigate new forms of politics being practised by women in physical activity, sport and online spaces at the intersections of gender, ethnicity, sexuality and ability. New Sporting Femininities features chapters on celebrity athletes such as Serena Williams and Ronda Rousey, alongside studies of the online fitspo movement and women's growing participation in activities like roller

derby, skateboarding and football. In doing so, it highlights key issues and concerns facing diverse groups of women in a rapidly changing gender-sport landscape. This collection sheds new light on the complex and often contradictory ways that women's athletic participation is promoted, experienced and embodied in the context of postfeminism, commodity feminism and emerging forms of popular feminism.

Freefall to Fly Rebekah Lyons 2013-04-09 Women today are fading. In a female culture built on Photoshopped perfection and Pinterest fantasies, we've lost the ability to dream our own big dreams. So busy trying to do it all and have it all, we've missed the life we were really designed for. And we are paying the price. The rise of loneliness, depression, and anxiety among the female population in Western cultures is at an all-time high. Overall, women are two and a half times more likely to take antidepressants than men. What is it about our culture, the expectations, and our way of life that is breaking women down in unprecedented ways? In this vulnerable memoir of transformation, Rebekah Lyons shares her journey from Atlanta, Georgia, to the heart of Manhattan, where she found herself blindsided by crippling depression and anxiety. Overwhelmed by the pressure to be domestically efficient, professionally astute, and physically attractive, Rebekah finally realized that freedom can come only by facing our greatest fears and fully surrendering to God's call on our lives. This book is an invitation for all women to take that first step toward freedom. For it is only when we free-fall that we can truly fly.

Do What Feels Good Hannah Bronfman 2019-01-08 "Hannah Bronfman is challenging us all to rethink our default standards of beauty and definitions of 'healthy' —and I, for one, couldn't be happier to hear this from another woman of color in the wellness community. Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin." --Gabrielle Union, actress and bestselling author of We're Going to Need More Wine As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. As a woman of color who grew up watching a close family member struggle with an eating disorder, Hannah's had to forge her own path and create her own standards of beauty. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In Do What Feels Good, Hannah offers real talk about getting in touch with your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. And since delicious food is one of the things that makes everyone feel good, Hannah shares more than 50 of her favorite recipes for healthy hedonism (desserts and cocktails included!). Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real. Because self-care should not feel self-punishing, and every body deserves to feel good.

Strong Curves Bret Contreras 2013-04-02 This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, Strong Curves offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In Strong Curves, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. Strong Curves is the cure.

Thinner Leaner Stronger Michael Matthews 2019-04-22 The International Bestselling Fitness Book for Women Is this a workout book that can give you a lean and toned "Hollywood babe body" in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise "hacks" and "shortcuts" for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book (and nutrition book) that'll show you exactly how to eat and exercise to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. Because here's the deal: Muscle building and fat loss aren't nearly as complicated as you've been led to believe. You don't need to: Obsess over "clean eating" and avoiding "bad" or "unhealthy" foods like sugar, meat, and bread. Some foods are just more nutritious than and should be eaten more frequently than others. That's it. You don't need to: Constantly change up your fitness routine. A little of the right variability in your exercise is productive, but more than that is obstructive. You don't need to: Spend a couple of hours in the gym every day grinding through punishing strength training workouts. Sweating buckets, getting really sore, training until bone-tired

. . . all wholly overrated for gaining lean muscle and strength. You don't need to: Slog away on the treadmill. In fact, you don't need to do any cardio exercise at all to shed ugly belly, hip, and thigh fat and even build your best body ever. You don't need to: Waste coin on sketchy fitness supplements like fat burners, amino acids, and greens powders. Most of these products either haven't been scientifically proven to do what you're paying for or have been proven outright ineffective. Those are just a few of the harmful lies and myths that keep gals from ever achieving the lean, toned, and strong body they truly desire. And *Thinner Leaner Stronger* will teach you something that most women will never know: How to transform your body while eating all of the foods you like and doing just a few challenging (but not grueling) resistance training workouts per week. Oh and cardio? Completely optional. Here are just a few of the things you'll discover inside this fitness book for women: The 10 biggest fitness myths and mistakes that keep women weak, overweight, and confused. For example, "calories are all that matters," "carbs and sugars make you fat and unhealthy," and "strength training makes women bulky." The primary driver of muscle growth that literally forces your muscles to get fitter and stronger. And no, it has nothing to do with "muscle confusion," "functional training," or any other pseudoscientific fitness nonsense. How to create meal plans for losing fat and building muscle with all of the foods you love so you never feel starved, deprived, or like you're "on a diet" (and especially a "bodybuilding diet"). 12 months of done-for-you, paint-by-numbers strength training workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. A no-BS guide to fitness supplements that'll save you hundreds if not thousands of dollars on useless (and sometimes even dangerous) pills, powders, and potions for fat loss, muscle gain, and the rest of it. And that's not all, either . . . 367 peer-reviewed scientific studies support the *Thinner Leaner Stronger* system of eating, exercising, and recovering for losing fat and gaining lean muscle and strength. *Thinner Leaner Stronger* has sold over 400,000 copies in 13 different languages and is regularly revised based on the latest findings in nutrition and exercise scientific research (four editions released and counting!). It's also backed by a "No Return Necessary" money-back guarantee that works like this: if you're unsatisfied with this workout book for women or the program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful "beach-ready" body without following a bland, boring, bodybuilding diet and without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.

75 Hard Andy Frisella 2020-04 Do you lack confidence, grit, endurance, fortitude, self-esteem and all the other things that don't just make someone great, but successful in everything they do? What if you could completely transform yourself into someone who could do anything? I'm not talking about the change that happens for a week or a month or a year...but for your whole life? What would that legitimately and realistically be worth to you? Everybody tries to tell themselves that they are "special" or "great"...but it's just talk. It's not reality. This book tells you how to do that. It doesn't cost anything to execute this program...but it ain't free. I guarantee if you do exactly as I tell you to do it with no compromises and zero substitutions...you and your life will never be the same. -Andy Frisella

Big Fit Girl Louise Green 2017-03-18 "Finally—a fitness book for the rest of us! . . . [Big Fit Girl] is sure to usher in a new generation of tough, curvy athletes." —Jessamyn Stanley, author of *Every Body Yoga* In *Big Fit Girl*, Louise Green describes how the fitness industry fails to meet the needs of plus-size women and thus prevents them from improving their health and fitness. By telling her own story of how she stopped dieting, got off the couch, and unleashed her inner athlete—as well as showcasing similar stories from other women—Green inspires other plus-size women to do the same. Green also provides concrete advice, based on the latest research, about how to get started, how to establish a support team, how to choose an activity, what kind of clothing and gear work best for the plus-size athlete, how to set goals, and how to improve one's relationship with food. And she stresses the importance of paying it forward—for it is only by seeing plus-size women in leadership roles that other plus-size women will be motivated to stop trying to lose weight and get fit instead. "Big Fit Girl impressed me tremendously. The Wild Diet Abel James 2016-01-19 Abel James, the ABC star and creator of the #1 *Fat-Burning Man Show*, shares his revolutionary weight-loss program in *The Wild Diet* - now a New York Times Bestseller! Can you really lose 20 pounds in 40 days while enjoying real butter, juicy burgers, chicken parmesan, chocolate, and even cheesecake? The answer might surprise you. By focusing on simple, fresh ingredients and nutrient-dense meals, *The Wild Diet* programs your body to burn fat as its main fuel source. Eating Wild, thousands of people across the world

have dropped 20, 60, or even more than 100+ pounds without hunger... and often with minimal exercise. In *The Wild Diet*, you'll find that we are not meant to starve ourselves, count calories, or avoid delicious food. We're wired to eat luxuriously and live well without getting fat. If you think that you're stuck with the genes you inherited and there's nothing you can do about it, read closely. *The Wild Diet* paints a different picture, one in which we have the power to influence our genetic expression by taking control of the quality of food we eat, the way we move, and the environment around us. We once had access to an immense variety of fresh seasonal foods from small, local sources. Now we have access to few varieties of processed foods from a massive industrial system often thousands of miles from where we live. The secret to great health simply getting back to our wild roots and enjoying real, Wild foods grown on a farm and not in a factory. By prioritizing foods found in the natural world, rich in fiber and nutrients, your body will burn fat instead of sugar for energy. When you reduce your consumption of processed grains, sugars and other simple carbohydrates in favor of healthy plants and animals, you will be shocked by how quickly you can reverse the damage of decades of poor eating. *The Wild Diet* proves that it's possible to get in best shape of your life while eating delicious foods like chicken parmesan, bacon cheeseburgers, and even chocolate pudding. If you want to know how to burn more fat by indulging in incredible meals and exercising less, it's time to treat yourself to *The Wild Diet*.

Best Babysitters Ever Caroline Cala 2019-02-05 Mayhem ensues in their sleepy California beach town when three best friends, motivated by unlimited snacks, no parents, and earning money for an epic seventh-grade party, find an old copy of "The Babysitters Club" and decide to start their own babysitting business.

The Year One Challenge for Women Michael Matthews 2015-01-15 The Official Workout Journal for the Thinner Leaner Stronger Program Is this a workout book that can give you a lean and toned "Hollywood babe body" in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise "hacks" and "shortcuts" for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book that'll show you exactly how to eat and train to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. *The Year One Challenge for Women* is a workout journal companion to the bestselling fitness book for women, *Thinner Leaner Stronger*. This workout book contains a full year's worth of *Thinner Leaner Stronger* workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. This workout journal also provides you with a comprehensive *Thinner Leaner Stronger* "cheatsheet" that lists and demonstrates all exercises in the program, and explains how to choose the right routine for you, how to progress in your workouts, how to make exercise substitutions, and more. It's backed by a "No Return

Necessary" money-back guarantee, too, that works like this: if you're unsatisfied with this workout journal or program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful "beach-ready" body without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.
