Asylums Erving Goffman 2017-09-08 A total institution is defined by Goffman as a place of residence and work where a large number of like-situated, individuals, cut off from the wider society for an appreciable period of time, together lead an enclosed, formally administered round of life. Prisons serve as a clear example, providing we appreciate that what is prison-like about prisons is found in institutions whose members have broken no laws. This volume deals with total institutions in general and, mental hospitals, in particular. The main focus is, on the world of the inmate, not the world of the staff. A chief concern is to develop a sociological version of the structure of the self. Each of the essays in this book were intended to focus on the same issue--the inmate's situation in an institutional context. Each chapter approaches the central issue from a different vantage point, each introduction drawing upon a different source in sociology and having little direct relation to the other chapters. This method of presenting material may be irksome, but it allows the reader to pursue the main theme of each paper analytically and comparatively past

the point that would be allowable in chapters of an integrated book. If sociological concepts are to be treated with affection, each must be traced back to where it best applies, followed from there wherever it seems to lead, and pressed to disclose the rest of its family.

My Name Is Mina David Almond 2011-10-11 Award-winning author David Almond reintroduces readers to the perceptive, sensitive Mina before the events of Skellig in this lyrical and fantastical work. My Name is Mina is not only a pleasure to read, it is an intimate and enlightening look at a character whose open mind and heart have much to teach us about life, love, and the mysteries that surround us. Mina loves the night. While everyone else is in a deep slumber, she gazes out the window, witness to the moon's silvery light. In the stillness, she can even hear her own heart beating. This is when Mina feels that anything is possible and her imagination is set free. A blank notebook lies on the table. It has been there for what seems like forever. Mina has proclaimed in the past that she will use it as a journal, and one night, at last, she begins to do just that. As she writes, Mina makes discoveries both trivial and profound

about herself and her world, her thoughts and her dreams.

What Is the What Dave Eggers 2009-02-24 What Is the What is the story of Valentino Achak Deng, a refugee in war-ravaged southern Sudan who flees from his village in the mid-1980s and becomes one of the so-called Lost Boys. Valentino's travels bring him in contact with enemy soldiers, with liberation rebels, with hyenas and lions, with disease and starvation, and with deadly murahaleen (militias on horseback)—the same sort who currently terrorize Darfur. Eventually Deng is resettled in the United States with almost 4000 other young Sudanese men, and a very different struggle begins. Based closely on true experiences, What Is the What is heartbreaking and arresting, filled with adventure, suspense, tragedy, and, finally, triumph.

The Italian Metamorphosis, 1943-1968 Germano Celant 1994 The Italian Metamorphosis, 1943-1968 is the first book to bring together all aspects of Italian visual culture from this fascinating period. Homosexuality and Italian Cinema Mauro Giori 2017-11-18 This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the

1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

Shakespeare and Company Sylvia Beach 1991-01-01 Sylvia Beach was intimately acquainted with the expatriate and visiting writers of the Lost Generation, a label that she never accepted. Like moths of great promise, they were drawn to her well-lighted bookstore and warm hearth on the Left Bank. Shakespeare and Company evokes the zeitgeist of an era through its revealing glimpses of James Joyce, Ernest Hemingway, Scott Fitzgerald, Sherwood Anderson, Andre Gide, Ezra Pound, Gertrude Stein, Alice B. Toklas, D. H. Lawrence, and others already famous or soon to be. In his introduction to this new edition, James Laughlin recalls his friendship with Sylvia Beach. Like her bookstore, his publishing house, New Directions, is considered a cultural touchstone.

Natural Born Charmer Susan Elizabeth Phillips 2009-10-13 Chicago Stars quarterback Dean Robillard is the luckiest man in the world: a bona-fide sports superstar and the pride of the NFL with a profitable side career as a

buff billboard model for End Zone underwear. But life in the glory lane has started to pale, and Dean has set off on a cross-country trip to figure out what's gone wrong. When he hits a lonely stretch of Colorado highway, he spies something that will shake up his gilded life in ways he can't imagine. A young woman . . . dressed in a beaver suit. Blue Bailey is on a mission to murder her ex. Or at least inflict serious damage. As for the beaver suit she's wearing . . . Is it her fault that life keeps throwing her curveballs? Witness the expensive black sports car pulling up next to her on the highway and the Greek god stepping out of it. Blue's career as a portrait painter is the perfect job for someone who refuses to stay in one place for very long. She needs a ride, and America's most famous football player has an imposing set of wheels. Now, all she has to do is keep him entertained, off guard, and fully clothed before he figures out exactly how desperate she is. But Dean isn't the brainless jock she imagines, and Blue—despite her petite stature—is just about the toughest woman Dean has ever met. They're soon heading for his summer home where their already complicated lives and inconvenient attraction to each other will become entangled with a charismatic but aging rock star; a beautiful fifty-two-year-old woman trying to make peace with her rock and roll past; an eleven-year-old who desperately needs a family; and a bitter old woman who hates them all. As the summer progresses, the wandering portrait artist and the charming football star play a high-stakes game, fighting themselves and each other for a chance to have it all. Natural Born Charmer is for everyone who's ever thought about leaving their old life in the dust and never looking back. New York Times bestselling author Susan Elizabeth Phillips takes us home again . . . and shows us where love truly lives

The Mercury 13 Martha Ackmann 2004-07-13 For readers of *The Astronaut Wives Club*, *The Mercury 13* reveals the little-known true story of the remarkable women who trained for NASA space flight. In 1961, just as NASA launched its first man into space, a group of women underwent secret testing in the hopes of becoming America's first female astronauts. They passed the same battery of tests at the legendary Lovelace Foundation as did the Mercury 7 astronauts, but they were summarily

dismissed by the boys' club at NASA and on Capitol Hill. The USSR sent its first woman into space in 1963; the United States did not follow suit for another twenty years. For the first time, Martha Ackmann tells the story of the dramatic events surrounding these thirteen remarkable women, all crackerjack pilots and patriots who sometimes sacrificed jobs and marriages for a chance to participate in America's space race against the Soviet Union. In addition to talking extensively to these women, Ackmann interviewed Chuck Yeager, John Glenn, Scott Carpenter, and others at NASA and in the White House with firsthand knowledge of the program, and includes here never-before-seen photographs of the Mercury 13 passing their Lovelace tests. Despite the crushing disappointment of watching their dreams being derailed, the Mercury 13 went on to extraordinary achievement in their lives: Jerrie Cobb, who began flying when she was so small she had to sit on pillows to see out of the cockpit, dedicated her life to flying solo missions to the Amazon rain forest; Wally Funk, who talked her way into the Lovelace trials, went on to become one of the first female FAA investigators; Janey Hart, mother of eight and, at age forty, the oldest astronaut candidate, had the political savvy to steer the women through congressional hearings and later helped found the National Organization for Women. A provocative tribute to these extraordinary women, *The Mercury 13* is an unforgettable story of determination, resilience, and inextinguishable hope.

Ship of Theseus Jeffrey Abrams 2013 One book. Two readers. A world of mystery, menace and desire. A young woman picks up a book left behind by a stranger. Inside it are his margin notes, which reveal a reader entranced by the story and by its mysterious author. She responds with notes of her own, leaving the book for the stranger, and so begins an unlikely conversation that plunges them both into the unknown. THE BOOK: *Ship of Theseus*, the final novel by a prolific but enigmatic writer named V. M. Straka, in which a man with no past is shanghaied onto a strange ship with a monstrous crew and launched on a disorienting and perilous journey. THE WRITER: Straka, the incendiary and secretive subject of one of the world's greatest mysteries, a revolutionary about whom the world knows nothing apart from the words he wrote and the rumours that swirl around him. THE READERS: Jennifer and Eric, a college senior and a disgraced grad student, both facing crucial decisions about who they are, who they might become, and how much they're willing to trust another person with their passions, hurts and fears. S., conceived by filmmaker J.J. Abrams and written by award-winning novelist Doug Dorst, is the chronicle of two readers finding each other in the margins of a book and enmeshing themselves in a deadly struggle between forces they don't understand. It is also Abrams and Dorst's love letter to the written word.

Ferocity Nicola Lagioia 2017-10-10 This Strega Prize winner "ticks all the boxes of a thriller while also being a masterfully written, baroque, many-faceted depiction of modern Italy" (The Spectator). Bari, southern Italy: On a stifling summer night, on the outskirts of town, a young woman named Clara, daughter of the region's most prominent family of real estate developers, stumbles naked, dazed, and bloodied down a major highway. Her death will be deemed a suicide. Her estranged half-brother, however, cannot free himself from her memory or the questions surrounding her death, and the more he learns about Clara's life, the more he reveals the moral decay at the core of his family's ascent to social prominence. Winner of the 2015 Strega Prize, Italy's preeminent prize for fiction, *Ferocity* is at once an intimate family saga, a cinematic portrait of the moral and political corruption of an entire society, and a "gripping" tale of suspense (The Irish Times). "Biting social commentary as well as edge-of-seat reading." —Library Journal (starred review) "Allows the mystery to slowly and captivately resolve while offering a layered portrait of contemporary Italian life and the abuses of power that money can excuse." —Publishers Weekly "Complex, darkly absorbing and mysterious literary fiction." —Booklist

The Man from Berlin Luke McCallin 2014-11-28 Shortlisted for the CWA

Endeavour Historical Dagger Sarajevo, 1943: Marija Vukic, a beautiful young filmmaker and socialite, and a German officer are brutally murdered. Assigned to the case is military intelligence officer Captain Gregor Reinhardt. Already haunted by his wartime actions and the mistakes he's made off the battlefield, he soon finds that his investigation may be more than just a murder - and that the late Yugoslav heroine may have been more treacherous than anyone knew. Reinhardt manoeuvres his way through a minefield of political, military, and personal agendas, as a trail of dead bodies leads him to a secret hidden within the ranks of the powerful - a secret they will do anything to keep. 'Reinhardt is a terrific creation' - Times 'What makes the book terrific is the humanity and hope that shine through even the darkest of scenes' - Herald 'If you like Philip Kerr's Bernie Gunther books, you will love The Ashes of Berlin. Luke McCallin has skilfully crafted an atmospheric and gripping tale set amid the ruins of a war ravaged city that feels wholly authentic. Historical fiction at its best' - Howard Linskey, author of Behind Dead Eyes Look out for other books in the Gregor Reinhardt series: The Pale House and The Ashes of Berlin

The Passion of Artemisia Susan Vreeland 2002-12-31 "Susan Vreeland set a high standard with Girl in Hyacinth Blue.... The Passion of Artemisia is even better.... Vreeland's unsentimental prose turns the factual Artemisia into a fictional heroine you won't soon forget." —People A true-to-life novel of one of the few female post-Renaissance painters to achieve fame during her own era against great struggle. Artemisia Gentileschi led a remarkably "modern" life. Vreeland tells Artemisia's captivating story, beginning with her public humiliation in a rape trial at the age of eighteen, and continuing through her father's betrayal, her marriage of convenience, motherhood, and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa, and Naples, inhabited by historical characters such as Galileo and Cosimo de' Medici II, and filled with rich details about life as a seventeenth-century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and family, passion and genius.

Duncan Edwards: The Greatest James Leighton 2012-05-24 One of the

greatest players of all time, Duncan Edwards's story is one of tragic heroism. From a working class Dudley upbringing, Edwards rose to great heights at Manchester United. In only five years, he helped United to win two League Championships and to reach the semi-finals of the European Cup. Edwards made his England debut in a game against Scotland at the age of 18 years and 183 days, becoming the youngest player for England since WW2 - a record which stood until Michael Owen's debut over forty years later. He went on to play 18 games for his country, including all four of the qualifying matches for the 1958 World Cup, in which he was expected to be a key player. Sir Bobby Charlton described him as 'the only player that made me feel inferior' and Terry Venables claimed that, had he lived, it would have been Edwards, not Bobby Moore, who would have lifted the World Cup as captain in 1966. Page-turning and poignant, author James Leighton tells a story of a magnificent sportsman and great man - the perfect antidote to the headline-grabbing footballers of today. Burn James Patterson 2014-09-29 Detective Michael Bennett finally returns to New York City-and to the most unsettling, horrific case of his career in this #1 New York Times bestseller. At last, Detective Michael Bennett and his family are coming home to New York City. Thanks to Bennett, the ruthless crime lord whose vengeful mission forced the Bennett family into hiding has been brought down for good. Back in the city that never sleeps, Bennett takes over a chaotic Outreach Squad in Harlem, where he receives an unusual call: a man claims to have seen a group of well-dressed men holding a bizarre party in a condemned building. With no clear crime or evidence, Bennett dismisses the report. But when a charred body is found in that very same building, he is forced to take the demented caller seriously-and is drawn into an underground criminal world of terrifying depravity.

Notes on a Shipwreck Davide Enia 2019-02-19 A moving firsthand account of migrant landings on the island of Lampedusa that gives voice to refugees, locals, and volunteers while also exploring a deeply personal father-son relationship. On the island of Lampedusa, the southernmost part of Italy, between Africa and Europe, Davide Enia looks in the faces of those who arrive and those who wait, and tells the story of an individual

and collective shipwreck. On one side, a multitude in motion, crossing entire nations and then the Mediterranean Sea under conditions beyond any imagination. On the other, a handful of men and women on the border of an era and a continent, trying to welcome the newcomers. In the middle is the author himself, telling of what actually happens at sea and on land, and the failure of words in the attempt to understand the present paradoxes. Enia reveals the emotional consequences of this touching and disconcerting reality, especially in his relationship with his father, a recently retired doctor who agrees to travel with him to Lampedusa. Witnessing together the public pain of those who land and those who save them from death, alongside the private pain of his uncle's illness, pushes them to reinvent their relationship, to forge a new and unprecedented dialogue that replaces the silences of the past.

The Butler Did It Kasey Michaels 2019-10-16 Five years in the past, Morgan Drummond, Marquis of Westham, deserted London after his curst

temper nearly ended his best friend's life. But now Morgan has beaten down his devils, assured himself he is rehabilitated enough to return to the city, intent on finding a suitable (and likewise mild-mannered) wife. Alas, so much for the best-laid plans of mice and men...and Morgan Drummond. He arrives to find his ingenious butler, hating to see the mansion go empty during the Season (and a man with a good eye for turning a profit), has rented out the place to an odd assortment of tenants. Really. Odd. For good or ill, among this motley crew installed in the mansion is the Clifford family, including one Miss Emma Clifford, whose determined spirit proves her to be the one woman in England Morgan knows is completely wrong for him. So why does she seem so right? Don't miss the book that follows this story, featuring Perry Shepherd: *Shall We Dance?* "Witty dialogue peppers a plot full of delectable details exposing the foibles and follies of the age... another playfully perfect Regency-era romp." -- Publishers Weekly Starred Review
