From America Sent Charles Henry Gervais 1995 Soon after World War II had started, controversial American novelist Henry Miller, the author of *The Tropic of Cancer* and *The Tropic of Capricorn*, embarked on a journey through the United States to write *The Air Conditioned Nightmare*. On that odyssey, he

stopped in Detroit, an encounter with the capital of "the new planet" he describes in his book, but not mentioned are his side-trips to Windsor, Ontario, where he met secretly with a friend in the old British American Hotel. *From America Sent* is the account of a young farm girl who worked as a chambermaid at the hotel and who became obsessed with Miller's dark sexuality. To

Miller, she wrote a series of clandestine, passionate letters which she never mailed.

Subsea Pipelines and Risers Yong Bai
2005-12-05 • Updated edition of a best-selling title • Author brings 25 years experience to the

work • Addresses the key issues of economy and environment
Marine pipelines for the transportation of oil and gas have become a safe and reliable way to exploit the valuable resources below the world's seas and oceans. The design of these pipelines is a relatively new technology and continues to evolve in its quest to reduce costs and minimise the effect on the environment. With over 25years experience, Professor Yong Bai has been able to assimilate the essence of the applied mechanics aspects of offshore pipeline system design in a form of value to students and designers alike. It represents an excellent source of up to date practices and knowledge to help equip those who wish to be part of the exciting future of this industry.

Voodoo River Robert Crais 2013-07-16 Elvis Cole finds himself deep in the bayou of Louisiana

searching for the estranged parents of a television star -- but something deadly is looking for him. L.A. private eye Elvis Cole is hired by popular television star Jodie Taylor to delve into her past and identify the biological parents who gave her up for adoption thirty-six years before. Cole's assignment is to find out their biological history and report back. It seems all too clear cut. But when he gets to Louisiana and begins his search, he finds that there's something much darker going on. Other people are also looking for Taylor's parents, and some are ending up dead. And when Cole realizes that his employer knew more than she was telling, Voodoo River becomes a twisting tale of identity, secrets, and murder.

Room 555 Cristy Wilson 2019-01-29 Fourteen-year-old Roonie loves hip-hop almost as much as she loves her grandmother. She cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Roonie becomes more and more reluctant to

visit her in the care home. These feelings of guilt and frustration cause Roonie to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Roonie meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Roonie face her fears, make amends with Kira and reconnect with Gram before it's too late.

A Secondhand Lie Pamela Crane 2018-04-01
Sometimes you know things you're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their

estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's *Third Watch* and Dean Koontz's *The Neighbor*. Read as a standalone or as the companion book to *A Secondhand Life*.

Interactive Computer Graphics Edward Angel
2014 *Interactive Computer Graphics with WebGL, Seventh Edition*, is suitable for undergraduate students in computer science and engineering, for students in other disciplines who have good programming skills, and for professionals interested in computer animation and graphics using the latest version of WebGL. Computer animation and graphics are now prevalent in everyday life from the computer screen, to the movie screen, to the smart phone screen. The growing excitement about WebGL applications and their ability to integrate HTML5, inspired the authors to exclusively use WebGL in the Seventh Edition of *Interactive Computer Graphics with WebGL*. This is the only introduction to computer graphics text for undergraduates that fully integrates WebGL and emphasizes application-based programming. The top-down, programming-oriented approach allows for coverage of engaging 3D material

early in the course so students immediately begin to create their own 3D graphics. *∩∩*

[My Father's Day Gift](#) David Andrews 2014-03-15
Inspirational Fiction When given full freedom, many men will piddle. So it is for middle-aged college professor Adam Cherry on Father's Day. Alone for the day on his newly purchased horse farm in the Midwest, his two daughters and wife away or abroad, Adam finds excitement in an entire day to piddle away—his Father's Day gift to himself. But this day is one of challenges and interruptions. And each one helps him understand what Father's Day is truly about. As Adam navigates his Father's Day, the fatherly influences of seven male role models reveal themselves in the choices he makes, or avoids, and in the behavior he reveals. As the day winds down, he finds himself recalling his own father, and one particularly memorable Father's Day many years ago. Through it all, the love Adam

has found in his newfound rugged farm lifestyle shines through. He shares his passion and struggles as he learns to train horses, fish in his own pond, fix farm equipment, abate snakes, and wield a chainsaw. Though once resistant to his wife's push to buy the farm, Adam comes to realize that he wanted it, or even needed it, as much as she did. It's the simple joy he finds in rural life which reveals the man that his role models have made him. Adam's voice is warm and likeable, and remarkably honest. This is a man seeing himself with clear eyes, with crudeness, impatience, recklessness, and anger intact. The edges are rough and the man is naked. It may not be pretty, but in a very real way, it is beautiful. My Father's Day Gift is a tribute to the importance of male role models—fatherly influences—in the demonstrable character of a man. The influence comes not from lengthy conversations or direct instruction, but the distinct and impressionable moments in everyday interactions. Author David

Andrews includes a preface that explains his reasons for writing such a story. His two appendices include a short list of the top ten ways to acknowledge the meaningful mentors in your life, including your father. The second appendix is a vital list of fathering and mentoring resources. My Father's Day Gift is a salute not only to fathers everywhere, but to Father's Day itself. But Andrews wrote this novel fundamentally for his own father, who passed away only five weeks after reading it. This book is published in his memory. In Praise of My Father's Day Gift "My Father's Day Gift is magic. Incredibly well written and compelling, it will have you remembering those in your life who saw something in you before you saw it in yourself. That's what it did for me. Read it. Relish it. Share it." —Wes Moore, bestselling author of *The Other Wes Moore* "In this thoughtful and compelling story, you'll be reminded of your father and of your fatherly influences. You'll also find yourself wanting,

more than ever, to be the best father you can be.” —Christopher Brown, President, National Fatherhood Initiative “In this inspiring book, Andrews reminds us that it is the accumulation of seemingly small events that shape our deepest affections and values. For anyone who ever spent precious time with a young person and wondered if it made a difference, this book provides a compelling answer. Given its timeless life lessons, this is a book for the ages, not just for all ages!” —Brit Kirwan, Chancellor of the University System of Maryland; Former President, University of Maryland, College Park; and Former President, Ohio State University “As the mother of boys, I’ve had the privilege of watching them think and feel their way through so many situations from a unique boy’s perspective. The societal landscape for boys and girls is different, and their differing perceptions of themselves is also gender influenced. In these stories, I could see many threads from childhood to manhood. I laughed, cried, smiled, and sighed

all the way to the end of this book. It is quietly very powerful. Thank you, Dr. Andrews, for sharing it with me—it’s a true gift.” —Susan Magsamen, Award winning Writer, and Founder of Curiosityville “Over the decades we’ve known each other, I’ve read many things that the author wrote. I read his prospectuses, his drafts of articles, and many of his publications. I’ve read proposals, reports, and summaries of our work together. Over those decades, I’ve been continually impressed by the improvements in his writing, but he obviously had one major surprise waiting for me with My Father’s Day Gift. I had no idea that he had the ability to communicate so much emotion and meaning in so many wonderful, artfully chosen words and phrases. I’ve never read a book twice in my entire lifetime, but this is going to be a first.” — Dr. Murray Krantz, Professor, Family & Child Sciences, Florida State University Close Twins Kimberly Martinez 2014-05-21 Twin boys in middle school face family and school

challenges.
