The Children's Train Viola Ardone  
2021-01-12 "The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." – Lisa Wingate, #1 New York Times Bestselling Author of Before We Were Yours and The Book of Lost Friends "Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." – The Library Journal "[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that

love." – Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of Orphan Train and Before We Were Yours—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and

food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

Shuhei Endo Hiroyuki Suzuki 2006-10-15 Short Description Following the same format as Electa's other recent titles in its Architectural Documents series (Toyo Ito, Dominique Perrault, Carlos Ferrater, Steven Holl), this book presents the work of a compelling young architect on the international scene: Shuhei Endo (b. 1960), based in Osaka, Japan. Endo, 42, founded

his own studio in 1988 and has built nearly 20 small-scale projects in Japan whose unmistakable forms resemble strands of ribbon spiralling over and under the ground. Endo primarily uses sheets of corrugated steel, combined with glass and concrete, that wrap and fold to compose walls and enclose interior spaces. This book is the first monograph on the architect and showcases his projects and built work to date.
