Starspeak Dawn Henderson
2012-12-01 Messages of
ascension, love, contact
and more in the words of
our star brothers and
sisters. We are moving
through a time of
massive change,
unprecedented in
recorded memory, a time
in which life as we know
it is being turned
upside down. But we do
not have to travel
through this often
confusing and
disorientating process
alone, for from across
the galaxies our star
brothers and sisters
have gathered to help us
through this
transformation. Many
people on Earth are now
being contacted by these
loving beings, receiving
their words of guidance,
encouragement and
reassurance to share
with those who as yet do
not hear them. This book
contains some of these
messages, received by
the author from the star

beings of light,
messages that are filled
with the love and wisdom
of the universe. Dawn
Henderson is an author,
channel and spiritual
teacher who lives in the
ancient mystical
landscape of Wiltshire,
England.

Jewish Intellectual Women in Central Europe, 1860-2000 Judith Szapor
2012 This book examines the lives and writings of important intellectual women, most of whom are known by small circles only and then in a foreign language. This is the first time many of them, including someone as famous (in Austria) as Kaethe Leichter, will see the light of day in English. The work shows how these women negotiated their national and Jewish identities, their intellectual interests and personal lives in the multi-cultural population of Central Europe.
