Batman Paul Dini 2009-06

Catch a Falling Star Michael Beyer

2012-10 It was after midnight in 1990, and a group of NASA technicians are playing chess in the lounge. They never notice the soft clicking noises as radiation detectors kick in and a strange code begins taking over a computer monitor. As a glowing saucer zips past the Voyager, locks itself into orbit around Neptune, rolls over, and then disappears from view, the technicians loudly argue over the rules of the game unaware that aliens are headed toward Earth. Unfortunately, the amphibian-like creatures who reproduce in alarming numbers have made a serious mistake. They have chosen a small town in Iowa as the place to launch their invasion, mistakenly thinking they can attack under a cloak of invisibility. But this rural setting is protected by the Pirates, an elite team of adventurers and foilers of evil plots comprised of the most dangerous creatures on planet Earth young boys. As the alien invaders kidnap one of the pirates and begin to examine him for weaknesses, they have no idea that they have in their possession the girl-hating, chaos-creating nuisance that is the bane of all fourth-grade math teachers in town. It may be the last mistake they'll ever make.

The Big Tease 2020-08-03 Bruce Timm has been creating elegant drawings of women for over 30 years, and nearly all of these charming nudes were drawn purely for fun after-hours. This book collects his three Teaser collections--released from 2011 to 2013 and long sold out--plus Surrender, My Sweet from 2015. In addition, Timm has created new material especially for this collection and delved into his personal archives to share pieces not shown before. These culminate in more than 75 additional pages of material not reproduced in any of his previous Naughty and Nice collections. In all, over 260 women drawn in pencil, ink or color fill these pages. Timm's art is reproduced at an impressive size and showcased in this oversized format. Mature Warning: The Big Tease contains nudity throughout. This book is intended for ages 18 and up.

Modern Masters Volume 1: Alan Davis Eric Nolen-Weathington 2003 In Modern Masters Volume One, we explore the life and career of Alan Davis, with his longest, most in-depth interview to date. In 1982, Davis burst onto the British comics scene, earning numerous awards for his amazing artwork. American success soon followed with his work on Batman & the Outsiders and Detective Comics, and continues on such recent titles as X-Men and Justice League: the Nail, as well as the Spider-Man movie adaptation in collaboration with Stan Lee. Today Davis is recognized as one of the premiere comic book artists in the field, not only for his stunning renditions, but for his exquisite storytelling abilities. This book, profusely illustrated with a deluxe sketchbook and gallery of rare and previously unpublished artwork, includes a tutorial by Davis on the artists that influenced him, as well as his views on graphic storytelling. Also included are interviews with long-time collaborators Paul Neary (who provides the Foreword) and Mark Farmer (who contributes the Afterword). It's the ultimate look at the work of a true Modern Master: Alan Davis!

Mirades i estudis des de la Setmana del Còmic de Tarragona Emili Samper Prunera 2021-05-24 Mirades i estudis des de la Setmana del Còmic de Tarragona és un compendi de textos amb dos denominadors comuns: el còmic i Tarragona. El primer vertebra el contingut de tot el llibre, amb capítols que tracten aspectes diversos (autors, personatges, sèries...) però que comparteixen la passió (i la mirada amb esperit crític) pel món de les vinyetes. El segon, Tarragona, respon a la unió amb el primer gràcies a les jornades d'estudi de l'art seqüencial organitzades per Delirópolis i celebrades entre els anys 2008 i 2019, en les quals cal emmarcar bona part del contingut del llibre. D'aquesta manera, es pretén compartir l'estimació pel còmic, alhora que reivindicar-ne el seu estudi, alhora que es deixa constància de l'activitat realitzada a Tarragona aquests darrers anys. Tot plegat amb la intenció d'obrir la mirada del lector vers l'apassionant món de les vinyetes i de servir d'estímul per agafar (o reprendre) la lectura d'aquest mitjà artístic que tantes bones estones ens ofereix i tantes coses ens pot aportar també des d'una mirada acadèmica.

Dc Comics 2019-04-30 As the co-creator of Batman: The Animated Series, Bruce Timm's inimitable style has transcended not just the silver screen, but the printed page that inspired him. Now the masterful work of the beloved artist and animator is all collected in one massive volume, including stories, covers and pinup illustrations. Bruce Timm

has defined a classic comic book style that has influenced generations, with Emmy Award-winning animated TV shows like *Batman: The Animated Series*, *Batman Beyond* and *Superman: The Animated Series*. His work through DC's *Batman Adventures* has won two Eisner Awards, one for the landmark book *Batman Adventures: Mad Love*. In this incredible collection, Timm's bevy of DC work is finally featured all in the same place, from his comics stories with BTAS co-creator Paul Dini to his amazing cover and pinup work.

Many Lives of Catwoman Tim Hanley 2017-07-01 For more than 75 years, Catwoman has forged her own path in a clear-cut world of stalwart heroes, diabolical villains, and damsels in distress. Her relentless independence across comic books, television, and film set her apart from the rest of the superhero world. When female-led comics were few and far between, Catwoman headlined her own series for over 20 years. But her unique path had its downsides as well. Her existence on the periphery of the superhero world made her expendable, and she was prone to lengthy absences. Her villainous origins also made her susceptible to sexualized and degrading depictions from her primarily male creators in ways that most conventional heroines didn't face. For good and ill, Catwoman serves as a stark counterpart to the typical evolution of the history of women in comics, and in popular culture generally. Her adventures have charted an inimitably varied journey of empowerment and exploitation. Exploring the many incarnations of this cultural icon offers a new perspective on the superhero genre and showcases the fierce resiliency that has made Catwoman a fan favorite for decades.

Superwomen Carolynocca 2016-09-08 Winner of the 2017 Eisner Award in the Best Academic/Scholarly Work category 2017 Prose Awards Honorable Mention, Media & Cultural Studies Over the last 75 years, superheroes have been portrayed most often as male, heterosexual, white, and able-bodied. Today, a time when many of these characters are billion-dollar global commodities, there are more female superheroes, more queer superheroes, more superheroes of color, and more disabled superheroes--but not many more.

Superwomen investigates how and why female superhero characters have become more numerous but are still not-at-all close to parity with their male counterparts; how and why they have become a flashpoint for struggles over gender, sexuality, race, and disability; what has changed over time and why in terms of how these characters have been written, drawn, marketed, purchased, read, and reacted to; and how and why representations of superheroes matter, particularly to historically underrepresented

and stereotyped groups. Specifically, the book explores the production, representations, and receptions of prominent transmedia female superheroes from their creation to the present: Wonder Woman; Batgirl and Oracle; Ms. Marvel and Captain Marvel; Buffy the Vampire Slayer; Star Wars' Padmé Amidala, Leia Organa, Jaina Solo, and Rey; and X-Men's Jean Grey, Storm, Kitty Pryde, Rogue, and Mystique. It analyzes their changing portrayals in comics, novels, television shows, and films, as well as how cultural narratives of gender have been negotiated through female superheroes by creators, consumers, and parent companies over the last several decades.

A self-taught artist, he offers advice to those starting out in the industry by sharing his own experience and disclosing information about what inspires his process. Frank also answers intimate questions and shares new insight on how he transitioned to becoming a professional in the field.

Batman/Catwoman (2020-) #1 Tom King 2020-12-01 At last, Tom King returns to the rocky, romantic saga of Batman and Catwoman with his Heroes in Crisis collaborator, superstar artist Clay Mann! Echoing plot points from King's epic Batman run, this sweeping tale is told across three timelines: the past, when the Bat and the Cat first fell in love; the present, where their union is threatened by one of Batman's lost loves; and the future, where the couple have a happy life and legacy-including their daughter Helena, the Batwoman. And as the story begins, after a long marriage, Bruce Wayne passes away-which frees Selina Kyle to settle an old score. At every stage of their relationship, Bruce and Selina have an unwelcome chaperone: The Joker! Oh, and that lost love of Bruce's? It's Andrea Beaumont-a.k.a. Phantasm. Just thought you'd want to know.
