It Ends with Us Colleen Hoover 2020-07-28 In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Of Women and Salt Gabriela Garcia 2021-03-30 AN INSTANT NEW YORK TIMES BESTSELLER THE WASHINGTON POST NOTABLE BOOK OF 2021 A GOOD MORNING AMERICA BOOK CLUB PICK WINNER of the Isabel Allende Most Inspirational Fiction Award, She Reads Best of 2021 Awards • FINALIST for the 2022 Southern Book Prize • LONGLISTED for Crook’s Corner Book Prize • NOMINEE for 2021 GoodReads Choice Award in Debut Novel and Historical Fiction A sweeping, masterful debut about a daughter’s fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the daughter of a neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From 19th-century cigar factories to present-day detention centers, from Cuba to Mexico, Gabriela Garcia’s *Of Women and Salt* is a kaleidoscopic portrait of betrayals—personal and political, self-inflicted and those done by others—that have shaped the lives of these extraordinary women. A haunting meditation on the choices of mothers, the legacy of the memories they carry, and the tenacity of women who

choose to tell their stories despite those who wish to silence them, this is more than a diaspora story; it is a story of America’s most tangled, honest, human roots.

Buddhism for Mothers Sarah Naphthali 2010-06 Become a calmer and happier mother with Buddhism for Mothers. 'This is an excellent, practical guide to everyday Buddhism not just for mothers, but for everyone who has ever had a mother. ' Vicki Mackenzie, author of the bestselling *Why Buddhism Parenthood* can be a time of great inner turmoil for a woman yet parenting books invariably focus on nurturing children rather than the mothers who struggle to raise them. This book is different. It is a book for mothers. *Buddhism for Mothers* explores the potential to be with your children in the all-important present moment; to gain the most joy out of being with them. How can this be done calmly and with a minimum of anger, worry and negative thinking? How can mothers negotiate the changed conditions of their relationships with partners, family and even with friends? Using Buddhist practices, Sarah Naphthali offers ways of coping with the day-to-day challenges of motherhood. Ways that also allow space for the deeper reflections about who we are and what makes us happy. By acknowledging the sorrows as well as the joys of mothering *Buddhism for Mothers* can help you shift your perspective so that your mind actually helps you through your day rather than dragging you down. This is Buddhism at its most accessible, applied to the daily realities of ordinary parents. Even if exploring Buddhism at this busy stage of your life is not where you thought you'd be, it's well worthwhile reading this book. It can make a difference.

The Immortals of Meluha Amish Tripathi 2014-05-13 Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.

Giving Birth with Confidence Judith Lothian 2017-03-28 For a Safe and Healthy Birth... Your Way! *Giving Birth with Confidence* will help take the mystery out of having a baby and help you better understand how your body works during pregnancy and childbirth, giving you the

confidence to make decisions that best ensure the safety and health of you and your baby. Giving Birth with Confidence is the first and only pregnancy and childbirth guide written by Lamaze International, the leading childbirth education organization in North America. Written with a respectful, positive tone, the full version of this book presents:

- Information to help you choose your maternity care provider and place of birth
- Practical strategies to help you work effectively with your care provider
- Information on how pregnancy and birth progress naturally
- Steps you can take to alleviate fear and manage pain during labor
- The best available medical evidence to help you make informed decisions

Previously titled *The Official Lamaze Guide*, this 3rd edition has updated information on:

- How vaginal birth, keeping mother and baby together, and breastfeeding help to build the baby's microbiome.
- How hormones naturally start and regulate labor and release endorphins to help alleviate pain.
- Maternity-care practices that can disrupt the body's normal functioning.
- The latest recommendations on lifestyle issues like alcohol, vitamins, and caffeine.
- Room sharing and cosleeping: the controversy, recommendations, and safety guidelines.
- Out-of-hospital births are on the rise: New research and advice on planned home birth, including ACOG's revised guidelines, which support women's choices and promote seamless transfer to hospital, if needed.
- The importance of avoiding unnecessary caesareans for mother and child. Includes the new ACOG guidelines on inductions and active labor.
- The research in support of the Lamaze International's "Six Healthy Birth Practices," which are:
 - Let labor begin on its own.
 - Walk, move around, and change positions throughout labor.
 - Bring a loved one, friend, or doula for continuous support.
 - Avoid interventions that aren't medically necessary.
 - Avoid giving birth on your back and follow your body's urges to push.
 - Keep mother and baby together—it's best for mother, baby, and breastfeeding.

Dark Matter Blake Crouch 2016-07-26 A mindbending, relentlessly surprising thriller from the author of the bestselling *Wayward Pines* trilogy. "Are you happy with your life?" Those are the last words Jason Dessen hears before the masked abductor knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man Jason's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined—one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe. *Dark Matter* is a brilliantly plotted tale that is at once sweeping and intimate, mind-bendingly strange and profoundly human—a relentlessly surprising science-fiction thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

Brain Rules for Baby (Updated and Expanded) John Medina 2014-04-22 What's the single most important thing you can do during pregnancy? What does watching TV do to a child's brain? What's the best way to handle temper tantrums? Scientists know. In his *New York Times* bestseller *Brain Rules*, Dr. John Medina showed us how our brains really work—and why we ought to redesign our workplaces and schools. Now, in *Brain Rules for Baby*, he shares what the latest science says about how to raise smart and happy children from zero to five. This book is

destined to revolutionize parenting. Just one of the surprises: The best way to get your children into the college of their choice? Teach them impulse control. *Brain Rules for Baby* bridges the gap between what scientists know and what parents practice. Through fascinating and funny stories, Medina, a developmental molecular biologist and dad, unravels how a child's brain develops – and what you can do to optimize it. You will view your children—and how to raise them—in a whole new light. You'll learn: Where nature ends and nurture begins Why men should do more household chores What you do when emotions run hot affects how your baby turns out, because babies need to feel safe above all TV is harmful for children under 2 Your child's ability to relate to others predicts her future math performance Smart and happy are inseparable. Pursuing your child's intellectual success at the expense of his happiness achieves neither Praising effort is better than praising intelligence The best predictor of academic performance is not IQ. It's self-control What you do right now—before pregnancy, during pregnancy, and through the first five years—will affect your children for the rest of their lives. *Brain Rules for Baby* is an indispensable guide.

International Film Guide 1985

Pregnancy Day By Day Maggie Blott 2009-08-17 The complete guide to pregnancy, day-by-day No other pregnancy book provides this level of detail, allied with such extraordinary photographs, 3D scans and illustrations which reveal in unprecedented clarity exactly what is happening to you and your baby every single day. From early fetal development to how your hormones prepare you for birth, learn from world-class experts. Plus, obstetricians, midwives and parents advise on your baby's development, medical matters, your changing body, diet, fitness and much more. A special hour-by-hour rundown of what to expect during and immediately after birth, plus further reassurance for the first two weeks of your baby's life, will give a helping hand through the culmination of your pregnancy, from pain relief to those first intimate and unique moments between you and your child.

AYURVEDIC GARBHA SANSKAR Dr. Shri Balaji Tamba 2020-05-09 Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes, yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal oil massages during pregnancy are also recommended for the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover.

Atomic Habits James Clear 2018-10-16 The #1 *New York Times* bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving—every

day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Light in August William Faulkner 2022-05-12 First published in 1932, 'Light in August' is a novel that contrasts stark tragedy with optimistic perseverance in the face of mortality, written by William Faulkner, a Nobel Prize-winning American author. One of the most influential writers of the 20th century, Faulkner's reputation is based on his novels, novellas, and short stories. He was also a published poet and an occasional screenwriter. The novel is set in the American South during prohibition and features an ensemble cast of Faulkner's most memorable characters: honest and brave Lena Grove, in search of the father of her unborn child; Reverend Gail Hightower, a lonely outcast haunted by visions of Confederate glory; and Joe Christmas, a desperate, enigmatic drifter consumed by his mixed ancestry. These characters tussle with alienation, racism, and heartbreak across a nonlinear narrative. Classified as a Southern gothic and modernist novel, it is considered a seminal work in 20th-century American literature.

The Snow Child Eowyn Ivey 2012-02-01 In this magical debut -- a finalist for the Pulitzer Prize -- a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart--he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone--but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful,

violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

Safe Abortion Organisation mondiale de la santé 2003-05-13 At a UN General Assembly Special Session in 1999, governments recognised unsafe abortion as a major public health concern, and pledged their commitment to reduce the need for abortion through expanded and improved family planning services, as well as ensure abortion services should be safe and accessible. This technical and policy guidance provides a comprehensive overview of the many actions that can be taken in health systems to ensure that women have access to good quality abortion services as allowed by law.

The Womanly Art of Breastfeeding La Leche League International 2010-07-13 The long-awaited revised edition! It's no secret that breastfeeding is the normal, healthy way to nourish and nurture your baby. Dedicated to supporting nursing and expectant mothers, the internationally respected La Leche League has set the standard for educating and empowering mothers in this natural art for generations. Now their classic bestselling guide has been retooled, refocused, and updated for today's mothers and lifestyles. Working mothers, stay-at-home moms, single moms, and mothers of multiples will all benefit from the book's range of nursing advice, stories, and information--from preparing for breastfeeding during pregnancy to feeding cues, from nursing positions to expressing and storing breast milk. With all-new photos and illustrations, this ultimate support bible offers • real-mom wisdom on breastfeeding comfortably--from avoiding sore nipples to simply enjoying the amazing bonding experience • new insights into old approaches toward latching and attaching, ages and stages, and answers to the most-asked questions • strategies for moms who choose to breastfeed for a short time or who plan to nurse for a year or more • reassuring information on nursing after a C-section or delivery complications • recent scientific data that highlight the many lifelong health benefits of breastfeeding • helpful tips for building your support network--at home or when back at work • nursing special-needs infants, premies, multiples, and how to thrive no matter what curveball life throws • guidance on breast health issues, weight gain, day care, colic, postpartum depression, food allergies, and medications Plus--Internet references for further information, including La Leche League support sites and groups. Mothers bringing babies into a new world want sustainable, healthy, positive ways to help their children blossom and thrive. There is no better beginning for your baby than the womanly art of breastfeeding.

The Body Bill Bryson 2019-10-15 NEW YORK TIMES BESTSELLER • Bill Bryson, bestselling author of *A Short History of Nearly Everything*, takes us on a head-to-toe tour of the marvel that is the human body--with a new afterword for this edition. Bill Bryson once again proves himself to be an incomparable companion as he guides us through the human body--how it functions, its remarkable ability to heal itself, and (unfortunately) the ways it can fail. Full of extraordinary facts (your body made a million red blood cells since you started reading this) and irresistible Brysonesque anecdotes, *The Body* will lead you to a deeper understanding of the miracle that is life in general and you in particular. As Bill Bryson writes, "We pass our existence within this wobble of flesh and yet take it almost entirely for granted." *The Body* will cure that indifference with generous doses of wondrous, compulsively readable facts and information. As addictive as it is comprehensive, this is Bryson at his very best, a must-read owner's manual for every body.

Sunshine After the Storm Alexa Bigwarfe 2013-10-01 "This supportive guide to navigating pregnancy and infant loss will arm you with life-changing tools that will help you feel part of a dynamic community."--Back of book.

The Miracles of Your Mind Joseph Murphy 2018-12-18 In

this book Dr. Joseph Murphy explains how the latent powers inherent in our subconscious can improve our lives. He discusses the two minds that each of us possess; the objective mind and the subjective mind, and how to integrate them. He also explains how to harness the power of mind, especially the subconscious mind. Dr. Joseph Murphy, the founder of 'The Church of Divine Science', produced books, tapes, and radio broadcasts on spiritual matters, the historical values of life, the art of wholesome living, and the teachings of great philosophers--both from the Eastern and Western cultures. *A Thousand Splendid Suns* Khaled Hosseini 2008-09-18 A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Ina May's Guide to Childbirth Ina May Gaskin 2008-11-19 What you need to know to have the best birth experience for you. Drawing upon her thirty-plus years of experience, Ina May Gaskin, the nation's leading midwife, shares the benefits and joys of natural childbirth by showing women how to trust in the ancient wisdom of their bodies for a healthy and fulfilling birthing experience. Based on the female-centered Midwifery Model of Care, *Ina May's Guide to Natural Childbirth* gives expectant mothers comprehensive information on everything from the all-important mind-body connection to how to give birth without technological intervention. Filled with inspiring birth stories and practical advice, this invaluable resource includes: • Reducing the pain of labor without drugs--and the miraculous roles touch and massage play • What really happens during labor • Orgasmic birth--making birth pleasurable • Episiotomy--is it really necessary? • Common methods of inducing labor--and which to avoid at all costs • Tips for maximizing your chances of an unmedicated labor and birth • How to avoid postpartum bleeding--and depression • The risks of anesthesia and cesareans--what your doctor doesn't necessarily tell you • The best ways to work with doctors and/or birth care providers • How to create a safe, comfortable environment for birth in any setting, including a hospital • And much more *Ina May's Guide to Natural Childbirth* takes the fear out of childbirth by restoring women's faith in their own natural power to give birth with more ease, less pain, and less medical intervention.

A Catholic Mother's Companion to Pregnancy Sarah A. Reinhard 2012 In "A Catholic Mother's Companion to Pregnancy," popular Catholic blogger and speaker Sarah Reinhard offers the first book to accompany expectant mothers from conception to baptism with weekly reflections and prayers rooted in the mysteries of the Rosary and related to the baby's physical development.

Weight Gain During Pregnancy National Research Council 2010-01-14 As women of childbearing age have become heavier, the trade-off between maternal and child health created by variation in gestational weight gain has become more difficult to reconcile. *Weight Gain During Pregnancy* responds to the need for a reexamination of the 1990 Institute of Medicine guidelines for weight gain during pregnancy. It builds on the conceptual framework that underscored the 1990 weight gain guidelines and addresses the need to update them through a comprehensive review of the literature and independent analyses of existing databases. The book explores relationships between weight gain during pregnancy and a variety of factors (e.g., the mother's weight and height before pregnancy) and places this in the context of the health of the infant and the mother, presenting specific, updated target ranges for weight gain during pregnancy and guidelines for proper measurement. New features of this book include a specific range of recommended gain for obese women. *Weight Gain During Pregnancy* is intended to assist practitioners who care for women of childbearing age, policy makers, educators, researchers, and the pregnant women themselves to

understand the role of gestational weight gain and to provide them with the tools needed to promote optimal pregnancy outcomes.

Mindful Pregnancy Tracy Donegan 2020-03-18 Enjoy a natural, positive, stress-free pregnancy. Trimester by trimester, this beautiful book gives you safe yoga, meditation, natural remedies, nutrition, and hypnobirthing techniques to match your stage of pregnancy. Encouraging, practical advice from midwife and positive birth expert, Tracy Donegan, will help you to understand your body, relish your pregnancy, and bond with your growing baby. Troubleshoot pregnancy aches and pains with appropriate exercises, quell morning sickness with natural remedies and food, bond with your baby through meditation and movement, and prepare your body and mind safely and healthily for childbirth using strengthening exercises and hypnobirthing techniques. Feel empowered to nurture and give birth to your baby with strength and confidence, and embrace your life as a new mum. "A must-read for all parents who want to create a healthier, more joyful, more peaceful world." - Deepak Chopra, MD

The Mindful Mother Naomi Chunilal 2015-11-30 Mindfulness is perfect for new mothers - The Mindful Mother will support, nurture and guide you through pregnancy, labour and early motherhood. Naomi Chunilal shows you how to cultivate a daily practice of mindfulness, to be present through the joys and frustrations of becoming a mother of a newborn child. Using simple and powerful self-development practices based upon Buddhist and Yogic principles, you can steer a clear path through pregnancy and childbirth, into new motherhood. Speaking to the heart with wisdom, insight and humour, The Mindful Mother gives you a practical life and emotional lifeline, helping you to: Cope and thrive through common mothering dilemmas Find balance and equilibrium between work and home Restore and raise energy, vitality and resilience levels Engage your mind to work with you, rather than against you Survive and enjoy daily life with a newborn baby Awaken the heart to greater love, contentment and happiness

Counselling for Maternal and Newborn Health Care World Health Organization 2010 The main aim of this practical Handbook is to strengthen counselling and communication skills of skilled attendants (SAs) and other health providers, helping them to effectively discuss with women, families and communities the key issues surrounding pregnancy, childbirth, postpartum, postnatal and post-abortion care. Counselling for Maternal and Newborn Health Care is divided into three main sections. Part 1 is an introduction which describes the aims and objectives and the general layout of the Handbook. Part 2 describes the counselling process and outlines the six key steps to effective counselling. It explores the counselling context and factors that influence this context including the socio-economic, gender, and cultural environment. A series of guiding principles is introduced and specific counselling skills are outlined. Part 3 focuses on different maternal and newborn health topics, including general care in the home during pregnancy; birth and emergency planning; danger signs in

pregnancy; post-abortion care; support during labor; postnatal care of the mother and newborn; family planning counselling; breastfeeding; women with HIV/AIDS; death and bereavement; women and violence; linking with the community. Each Session contains specific aims and objectives, clearly outlining the skills that will be developed and corresponding learning outcomes. Practical activities have been designed to encourage reflection, provoke discussions, build skills and ensure the local relevance of information. There is a review at the end of each session to ensure the SAs have understood the key points before they progress to subsequent sessions.

Guide to Indian Periodical Literature 2007

Speaking of Child Care Suraj Gupte 2007-12-05 This book, of value to parents, doctors, nurses, midwives, home science students and teachers, offers practical help in child birth and child care. It tells you about changing nappies and birth weight, infant feeding and vaccination, toilet training and accident prevention, and discipline and how to sail through those stormy teenage years. In short, it tells you all you need to know.

5th World Congress on Disaster Management: Volume I S.

Ananda Babu 2022-09-21 World Congress on Disaster Management (WCDM) brings researchers, policy makers and practitioners from around the world in the same platform to discuss various challenging issues of disaster risk management, enhance understanding of risks and advance actions for reducing risks and building resilience to disasters. The fifth WCDM deliberates on three critical issues that pose the most serious challenges as well as hold the best possible promise of building resilience to disasters. These are Technology, Finance, and Capacity. WCDM has emerged as the largest global conference on disaster management outside the UN system. The fifth WCDM was attended by more than 2500 scientists, professionals, policy makers and practitioners all around the world despite the prevalence of pandemic.

Star Guide to Predictive Astrology K. B. Parsai 2001 Well-known scholar and astrologer, Pandit K.B.Parsai and his son, D.K.Parsai, present a blockbuster on astrological guidance and "prediction-sutras", never before passed beyond father to son or guru to a chosen disciple. This book details the subjects to be considered for making predictions under each of the 12 Houses in the birth-chart of a person and the effect of each planet, including its combination with another planet. Written in a lucid style, the book is replete with examples, personal observation and experience ranging from the erstwhile Indian states of pre-independence to the 21st century. The technical aspects of Predictive Astrology are reproduced here in a simple, easy to follow language for the average reader, students of astrology, and experts. Pandit K.B.Parsai, 79, belongs to a renowned family in Madhya Pradesh with a rich heritage of 25 generations of expertise in astrology. His ancestors have been astrologers to Indian Royals like the Rathor Maharajas of Jodhpur, Sisodiya Maharanas of Udaipur (Mewar), Rathor Rajas of Ratlam and Sitamau.
