him that his sister has died in childbirth. He is told he must keep the orphaned baby girl overnight, until her new, adopting parents can collect her. Over the course of that hot night in Calcutta, the man hurriedly writes stories to the baby sleeping on a blue bedspread in the next room: stories of the family she was born into, stories of the mother she will never know. Painting half-remembered scenes, he flits between past and present, recounting tales of the shared childhood of a boy and his sister who muffled their fears in the blueness of that very same bedspread. As the hours pass, the man gradually divulges a layered and transfixing confession of the darkest of family secrets. Described by John Fowles as "remarkable, almost a coming-of-age of the Indian novel," this powerful, penetrating debut by a young New Delhi journalist has already been recognized as an international literary event. In prose that is breathtaking and precise, Raj Kamal Jha discovers the hidden violence and twisted

eroticism of an exotic, overcrowded old city. Unlike the India captured in the exotic prose of Salman Rushdie and Arundhati Roy, Jha writes in a spare, straightforward style that has prompted comparisons to American realists like Raymond Carver and Don DeLillo. The Blue Bedspread is a searingly honest story about the love and hope that can survive in the midst of family violence. It is a first novel of extraordinary power and humanity.

Asha Parekh The Hit Girl Khalid Mohamed
2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit

Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and

'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

The Consequences of Love Sulaiman S.M.Y. Addonia 2009-08-11
A Romeo and Juliet story set against the strict Muslim laws of Saudi Arabia, Sulaiman Addonia's astonishing debut novel is a sensuous and intensely wrought story of a young immigrant and a girl behind a veil who defy law and risk their lives to be together. Under a relentless summer sun, women dressed like long

dark shadows and men decked out in light cotton robes roam the streets of Jeddah. While most of Naser's friends have left town to escape the heat, he must stay behind to work. An African immigrant and outsider, Naser spends his spare time frequenting a friend's café, writing letters to his mother in Eritrea, and daydreaming about the glamorous girlfriend he hopes to one day have. Naser and his younger brother were sent to Saudi Arabia to avoid the war back home, but though they live with their conservative Muslim uncle they remain under the watchful, wrathful eyes of the religious police, who monitor the community's every action, govern the near indestructible boundaries between men and women—walls in mosques, panels on buses, separate visiting quarters in houses, and, of course, the black veil, or abaya, that adorns the women—and punish any disobedience by public beating or death. But a splash of color arrives in Naser's world when unexpectedly a small piece of paper is dropped

at his feet. It is a love note from a girl whose face he has never seen and whose voice he has never heard. To identify her among the sea of veiled women, she instructs him to look for a pair of pink shoes peeking out from under her draped abaya. Intrigued and encouraged, Naser rebels against Wahhabist Islamic convention and begins a clandestine correspondence with the girl. Yet even as the barriers that divide them begin to crumble under the weight of their passionate prose and devotion, the lovers' illicit affair will face the ultimate and most heartrending test.

Prem Naam Hai Mera, Prem Chopra Rakita Nanda 2014-03-01

Clothing Matters Emma Tarlo 1996-09 What do I wear today? The way we answer this question says much about how we manage and express our identities. This detailed study examines sartorial style in India from the late

nineteenth century to the present, showing how trends in clothing are related to caste, level of education, urbanization, and a larger cultural debate about the nature of Indian identity.

Clothes have been used to assert power, challenge authority, and instigate social change throughout Indian society. During the struggle for independence, members of the Indian elite incorporated elements of Western style into their clothes, while Gandhi's adoption of the loincloth symbolized the rejection of European power and the contrast between Indian poverty and British wealth. Similar tensions are played out today, with urban Indians adopting "ethnic" dress as villagers seek modern fashions.

Illustrated with photographs, satirical drawings, and magazine advertisements, this book shows how individuals and groups play with history and culture as they decide what to wear.

King of Bollywood Anupama Chopra 2007-10-02 Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its

identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of Bollywood. "A bounty for cinema lovers everywhere." --Mira Nair, Director, The Namesake and Monsoon Wedding "King of Bollywood is the all-singing, all-dancing back

stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." -- Gurinder Chadha, director of Bend it Like Beckham "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." - -Emma Thompson, actress "Anu Chopra infuses the pivotal moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." --Kirkus **Dandelion** Gabbie Hanna 2020-10-13 New York Times bestselling author Gabbie Hanna delivers everything from curious musings to gut-wrenching confessionals in her long-awaited sophomore collection of illustrated poetry. This edition includes a collection of uncomfortably honest personal essays about Gabbie's childhood and relationships. In this visually thrilling installment of the inner-workings of Gabbie's mind, we're taken on a journey of self-loathing,

self-reflection, and ultimately, self-acceptance through deeply metaphorical imagery, chilling twists on child-like rhymes, and popular turns of phrase turned on their heads. Through raw, provocative tidbits, Dandelion explores what it means to struggle with a declining mental health in a world where mental health is both stigmatized and trivialized. The poems range from topics of rage and despair to downright silliness, so if you don't know whether to laugh or cry, just laugh until you cry.

Law and Identity in Colonial South Asia Mitra Sharafi 2014-04-21 This book explores the legal culture of the Parsis, or Zoroastrians, an ethnoreligious community unusually invested in the colonial legal system of British India and Burma. Rather than trying to maintain collective autonomy and integrity by avoiding interaction with the state, the Parsis sank deep into the colonial legal system itself. From the late

eighteenth century until India's independence in 1947, they became heavy users of colonial law, acting as lawyers, judges, litigants, lobbyists, and legislators. They de-Anglicized the law that governed them and enshrined in law their own distinctive models of the family and community by two routes: frequent intra-group litigation often managed by Parsi legal professionals in the areas of marriage, inheritance, religious trusts, and libel, and the creation of legislation that would become Parsi personal law. Other South Asian communities also turned to law, but none seems to have done so earlier or in more pronounced ways than the Parsis.

Imagining Lahore Haroon Khalid 2018 An anecdotal travelogue about Lahore - which begins in the present and travels through time to the mythological origins of the city attributed to Ram's son, Lav. Through the city's present - its people, communities, monuments, parks and institutions - the author paints a vivid picture of the city's past. From its emergence under Mahmud Ghaznavi to the Mughal centuries where several succession intrigues unfolded on its soil, its recasting as the capital of Maharaja Ranjit Singh's Khalsa Empire, the role it played in preserving the British Raj, to acting as an incubator of revolutionaries and people's

movements, Lahore influenced the subcontinent's political trajectory time and again. Today, too, Lahore often determines which way the wind will blow on Pakistan's political landscape. The Lahore Resolution of 1940, which laid the blueprint for the creation of the country, was signed here. The city saw the birth of Zulfikar Ali Bhutto's PPP, as well as his downfall. It was to Lahore that Benazir Bhutto returned to combat a military dictator, and where Imran Khan heralded his arrival as a main contender on the political battlefield. As the capital of Punjab, Lahore continues to cast a long shadow over the federal state.
