The hot Suit I had a one-night stand with one evening. I didn't know anything about him, not even his name. Only that we shared a taxi, and he was staying at the hotel where I worked. We met in room 1103. Where he commanded not only my body but my soul. The next day he was gone and I only had a memory of him. I could still taste his kisses, feel his demanding touch. I searched for him for months. Daydreaming about him. Wondering if I'd ever find him. Until the day I find myself staring face to face with his jeweled black eyes again. He says lets keep it casual, and my heart knows that falling for this workaholic in a three-thousand-dollar suit is off the table. Because he has a secret. One that's a deal breaker for me. My Suit has a name. Ian Ford. And this is our story. *Mogul contains characters from Tycoon, but is written to be read as a standalone.

Facing a forbidden attraction, a chemical connection. Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to this one: my brother's best friend, and CEO of the company where I interned. Even knowing I should stay away, I proved to be too human, after all. The chemistry was amazing. The laughs were incredible. I opened up to him in more ways than I'd opened up to anyone before. But sex was as far as I'd go. Just sex because he was too irresistible. Just sex because I wouldn't be falling for him. Just sex because I'd leave in three months, and I'd like for my brother not to kill me, and for nobody to find out he was my wicked little secret. He wasn't the One. He was just a

womanizer. But for a time, he would be mine.

new sizzling standalone contemporary romance by New York Times, Wall Street Journal, and USA Today bestselling author Katy Evans. It was supposed to just be a quick trip to Manhattan. My best friend was heartbroken. She needed support, and I needed inspiration. I hoped to love the city. Bustling. Crazy. Inspiring New York. But I ended up at the airport, heading home in the same condition that I arrived. In a rut. Add to all that, missing my flight and losing my laptop—the laptop, where the Best Love Story Ever sat on my hard drive. Enter Noah Steele. Eerily familiar. Movie star. Heartthrob. Sultry romeo with bedroom eyes. (But we're not going there.) He missed his flight too. Noah is so smoldering, lip-bitingly hot, he's not taken seriously as an actor, and is struggling to launch his career in New York. He's only ever had superficial girlfriends, so he's having trouble showing true passion

in his acting—the same challenge I'm having with this book. When we met, we didn't know that our connection would bring us the change we'd been craving. That we'd be the very thing the other needed and didn't know. Each other's muse. *This book is a complete standalone and no previous reading is necessary to enjoy. Mine Katy Evans 2013-11-05 "I will do anything to make her MINE."
—Remington Tate In the international bestseller REAL, the unstoppable bad boy of the Underground fighting circuit finally met his match. Hired to keep him in prime condition, Brooke Dumas unleashed a primal desire in Remington "Remy" Tate as vital as the air he breathes...and now he can't live without her. Brooke never imagined she would end up with the man who is every woman's dream, but not all dreams end happily ever after, and just when they need each other the most, Brooke is torn away from the ringside. Now with distance

and darkness between them, the only thing left is to fight for the love of the man she calls MINE.

Remy Katy Evans 2013-11-26 New York Times bestselling author Katy Evans expands upon the intense love story begun in *Real and Mine*—this time from Remington “Riptide” Tate’s point of view. Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control. Through it all, there’s been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is his story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he’s ever had to fight for.

Your Irresistible Love Layla Hagen 2016-01-03 I know what people think when they hear the name Sebastian Bennett. Determined. Ruthless. Head

of a business empire. From the outside, I look bulletproof. Behind closed doors, though, family always comes first. My parents. My eight—yes, eight—siblings. Every single one of them nagging at me to settle down and get married. I may be bulletproof, but I can’t seem to deflect them. No matter how many times I patiently explain that I don’t believe in love. I hadn’t counted on Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It’s frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can’t shake? Those curves, that smile... it’s irresistible. And completely off-limits. She won’t risk her job. I won’t risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I’ll

have to decide what I was wrong about- her, or love.

2019-07-23 From New York Times
bestselling author Katy Evans comes a hot romance about two strangers and their race to fall in love. If someone had bet Nell a million dollars that she would be saying "I do" to a complete stranger on national television, she'd have called them crazy, but with her crushing student loan payments sending her deep into the red, she's out of options. This should be nothing more than a business transaction--until she sets eyes on her groom, and everything changes. The game is on the instant Luke spots Penelope "Nell" Carpenter. He's out for the money, yes, but getting a little dirty with Nell doesn't sound too bad either. Everyone knows he's not the marrying kind, so it's a good thing it's just for show. God knows he's the worst guy his pretty wife

should pick for real. They have nothing in common, but if they want the grand prize, they'll have to beat out eight other couples. Proving that total opposites attract should be easy enough...as long as they don't fall in love in the process.

Mr. Big Delancey Stewart 2017-08-29
He's tortured and dark, angsty and arrogant. You want the truth? He's kind of an A-hole. He's also the CEO. Everything in my life goes according to plan, and that's the way I like it. I got the degree. I got the job. Now I just need to prove that I have what it takes to succeed in the real world. If there's one thing that's not in my plans, it's falling in love with my boss. Most relationships don't start with one person calling the other out in public for being an arrogant jerk. Then again, most CEOs don't cut their own employees in line at the coffeehouse and bark orders at

people like they own the place. Maybe pissing Oliver Cody off isn't the right move. And now that he's part of my world, all my plans go straight to hell.
