Truth's Table Ekemini Uwan 2022-04-26 A collection of essays and stories documenting the lived theology and spirituality we need to hear in order to lean into a more freeing, loving, and liberating faith—from the hosts of the beloved Truth's Table podcast “The liberating work of Truth's Table creates breathing room to finally have those conversations we've been needing to have.”—Morgan Harper Nichols, artist and poet Once upon a time, an activist, a theologian, and a psychologist walked into a group chat. Everything was laid out on the table: Dating. Politics. The Black church. Pop culture. Soon, other Black women began pulling up chairs to gather round. And so, the Truth's Table podcast was born. In their literary debut, co-hosts Christina Edmondson, Michelle Higgins, and Ekemini Uwan offer stories by Black women and for Black women examining theology, politics, race, culture, and gender matters through a Christian lens. For anyone seeking to explore the

spiritual dimensions of hot-button issues within the church, or anyone thirsty to deepen their faith, Truth's Table provides exactly the survival guide we need, including:

- Michelle Higgins's unforgettable treatise revealing the way "racial reconciliation" is a spiritually bankrupt, empty promise that can often drain us of the ability to do real justice work
- Ekemini Uwan's exploration of Blackness as the image of God in the past, present, and future
- Christina Edmondson's reimagining of what a more just and liberating form of church discipline might look like—one that acknowledges and speaks to the trauma in the room

These essays deliver a compelling theological re-education and pair the spiritual formation and political education necessary for Black women of faith.

Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control. Through it all, there's been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is his story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he's ever had to fight for.

Mother Jones Elliott J. Gorn 2015-06-02 Her rallying cry was famous: "Pray for the dead and fight like hell for the living." A century ago, Mother Jones was a celebrated organizer and agitator, the very soul of the modern American labor movement. At coal strikes, steel strikes, railroad, textile, and brewery strikes, Mother Jones was always there, stirring the workers to action and enraging the powerful. In this first biography of "the most dangerous woman in America," Elliott J. Gorn proves why, in the words of Eugene V. Debs, Mother Jones "has won her way into the hearts of the nation's toilers, and . . . will be lovingly remembered by their children and their children's children forever."
