Imperfect Truth Ava Harrison 2015-05-13

I'm a blogger. He's a writer. He was my weakness. I was his muse. Once upon a time my marriage was built on love...Until it wasn't. Where had we gone wrong? I had given up hope...But then he messaged me, And his words intoxicated me. Made me believe in love again. Made me believe in truth. My imperfect truth...

Saving a Legend Sarah Robinson 2016-06-14 Praised by Penelope Ward as “a unique story line with multiple layers to it,” Sarah Robinson’s *Saving a Legend* goes another round with the brooding Kavanagh brothers: MMA fighters who won’t call it quits in the ring, or in romance. His family’s gym has produced a roster of mixed martial arts legends, but so far Kieran Kavanagh hasn’t followed in their footsteps. After a brawl lands him in jail, Kieran is assigned to work at a center for at-risk youth. Though given a second chance, Kieran’s simply going through the motions—until he meets one very special kid, Shea Doherty, and falls hard for her very beautiful, very grown-up big sister, Fiona. The trouble is, Kieran’s best opening moves are getting him nowhere fast. Fiona Doherty has too many responsibilities to fool around, especially now that she has custody of Shea. Sure, she’d love to find a devoted partner. But she won’t jeopardize her sister’s happiness—or risk revealing her tortured past—on a love-’em-and-leave-’em type of guy like Kieran . .

. so it’s up to him to prove her wrong. As Fiona spends more time with Kieran, she starts to see a softer side of the reckless warrior. Now she must admit that when it comes to the possibility of real love, well . . . there’s a fighting chance. Praise for *Saving a Legend* “*Saving a Legend* is a deep and moving story about family, acceptance, and love. Plus those Kavanaghs really know how to make a girl swoon.”—New York Times bestselling author Katy Evans “I devoured this book from the first word to the last. I didn’t want it to end! Kieran is the epitome of what every woman looks for in a man.”—New York Times bestselling author Susan Stoker “Sarah Robinson makes me ache to be part of the Kavanaugh family. *Saving A Legend* is a rich, emotional, and sexy story with strong characters who fight for the love they deserve.”—HelenKay Dimon, author of *Mr. and Mr. Smith* “I fell head over heels for Kieran, Fiona, Shea, and the Kavanaghs!”—Serena Bell, USA Today bestselling author of the *Returning Home* series “Sarah Robinson delivers another knockout in the Kavanagh series with a gripping story of redemption, survival, and love. What more could you ask for? I can’t wait until the next book!”—Sophia Henry, author of the *Pilots Hockey* series “Another enjoyable read . . . I couldn’t get enough of the Kavanagh family.”—Under the Covers Book Blog “*Saving a Legend* was more than a love story. It was a story compassion, family strength, forgiveness, and acceptance. Sarah Robinson did a

magnificent job . . . I can't wait to see what comes next."—Smut Book Junkie "I'm so excited to read more about this family. If I was on the fence to start with, I'm definitely all in after reading this one."—The Romance Factor "Sarah Robinson once again wrote an incredible story with even more incredible characters."—Collectors "Well done, Sarah Robinson. . . This story was sexy and humorous and truthful. . . . It's about trust and hope, facing challenges, accepting pasts and moving forward, but most of all, it is about hope."—OMG Reads "With this second book, I find myself even more emotionally invested in the Kavanagh family and their stories."—Dog-Eared Daydreams Includes a special message from the editor, as well as an excerpt from another Loveswept title.

Ladies Man Katy Evans 2016-04-21 Tahoe Roth. Irreverent, cocky, playful, and naughty. He's not the guy you date. He's the one night stand. The one your mother warned you about. The one your body craves. You'd think the man who called me succulent would want to strip me down and spread me out on his bed--like he's done with countless others. But he passed on my offer.... Just like I'd once passed on his. He's wary, like I am. He's broken, like I am. And everyone knows two broken parts can't ever make a whole. Tahoe and I are strictly friends. So I distract myself with other men. He doesn't think my new man is good

enough. This blond, blue-eyed beast doesn't think any man is--himself included. But the more time we spend together, the more confused I feel. I'm trying to open myself to love. Yet I'm quickly realizing that the only man I want is Tahoe Roth. The one man who will surely break my heart. A sexy new Manwhore series standalone contemporary romance from New York Times and USA TODAY bestselling author Katy Evans.

Tycoon Katy Evans 2017-06-22 A sexy new standalone contemporary romance by NYT and USA Today bestselling author Katy Evans. He wasn't always this rich. This hot. This difficult. Aaric Christos was a guy who protected me. Wanted me. Maybe even loved me. That man is gone. In his place is the most powerful real estate tycoon in the city. He's a cold, ruthless, aggressive businessman. The only one who can save me and my startup from ruin. It takes every ounce of courage to put my pride aside and ask for his help. I didn't expect him to offer it easily. And he doesn't. Instead, he vets me harder than he's vetted anyone. Don't invest in what you don't know, he says. He's assessing every piece of me, to the point I've never felt so bare. I yearn for the boy I once knew, whose touch once craved me. Putting it all on the line will be worth it, I tell myself. Until I realize—too late—that some risks are not worth taking.

Mr. Big Delancey Stewart 2017-08-29 He's tortured and dark, angsty and arrogant. You want the truth? He's kind of an A-hole. He's also the CEO. Everything in my life goes according to plan, and that's the way I like it. I got the degree. I got the job. Now I just need to prove that I have what it takes to succeed in the real world. If there's one thing that's not in my plans, it's falling in love with my boss. Most relationships don't start with one person calling the other out in public for being an arrogant jerk. Then again, most CEOs don't cut their own employees in line at the coffeehouse and bark orders at people like they own the place. Maybe pissing Oliver Cody off isn't the right move. And now that he's part of my world, all my plans go straight to hell. This sexy standalone novel includes an

Womanizer Katy Evans 2016-11-15 A sexy new contemporary standalone romance by New York Times and USA Today Bestselling

Author Katy Evans. You've seen the headlines: Womanizing billionaire player! Watch out! Stay away! We were just two strangers. Facing a forbidden attraction, a chemical connection. Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to this one: my brother's best friend, and CEO of the company where I interned. Even knowing I should stay away, I proved to be too human, after all. The chemistry was amazing. The laughs were incredible. I opened up to him in more ways than I'd opened up to anyone before. But sex was as far as I'd go. Just sex because he was too irresistible. Just sex because I wouldn't be falling for him. Just sex because I'd leave in three months, and I'd like for my brother not to kill me, and for nobody to find out he was my wicked little secret. He wasn't the One. He was just a womanizer. But for a time, he would be mine.

MUSE Katy Evans 2018-09-14 A brand new sizzling standalone contemporary romance by New York Times, Wall Street Journal, and USA Today bestselling author Katy Evans. It was supposed to just be a quick trip to Manhattan. My best friend was heartbroken. She needed support, and I needed inspiration. I hoped to love the city. Bustling. Crazy. Inspiring New York. But I ended up at the airport, heading home in the same condition that I arrived. In a rut. Add to all that, missing my flight and losing my laptop—the laptop, where the Best Love Story Ever sat on my hard drive. Enter Noah Steele. Eerily familiar. Movie star. Heartthrob. Sultry romeo with bedroom eyes. (But we're not going there.) He missed his flight too. Noah is so smoldering, lip-bitingly hot, he's not taken seriously as an actor, and is struggling to launch his career in New York. He's only ever had superficial girlfriends, so he's having trouble showing true passion in his acting—the same challenge I'm having with this book. When we met, we didn't know that our connection would bring us the change we'd been craving. That we'd be the very thing the other needed and didn't know. Each other's muse. *This book is a complete standalone

and no previous reading is necessary to enjoy.

Misconduct Penelope Douglas 2015 "Former tennis player Easton Bradbury is trying to be the best teacher she can be, trying to reach her bored students, trying to forget her past ... Now one parent-teacher meeting may be her undoing. Meeting Tyler Marek for the first time makes it easy for Easton to see why his son is having trouble in school. The man knows how to manage businesses and wealth, not a living, breathing teenage boy. Or a young teacher, for that matter, though he tries to. And yet there is something about him that draws Easton in a hint of vulnerability, a flash of attraction, a spark that might burn"--*Remy* Katy Evans 2013-11-26 New York Times bestselling author Katy Evans expands upon the intense love story begun in *Real and Mine*—this time from Remington "Riptide" Tate's point of view. Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control. Through it all, there's been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is his story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he's ever had to fight for.

He says lets keep it casual, and my heart knows that falling for this workaholic in a three-thousand-dollar suit is off the table. Because he has a secret. One that's a deal breaker for me.
