*A History of the Roman Equestrian Order* Caillan Davenport 2018-12-31 In the Roman social hierarchy, the equestrian order stood second only to the senatorial aristocracy in status and prestige. Throughout more than a thousand years of Roman history, equestrians played prominent roles in the Roman government, army, and society as cavalymen, officers, businessmen, tax collectors, jurors, administrators, and writers. This book offers the first comprehensive history of the equestrian order, covering the period from the eighth century BC to the fifth century AD. It examines how Rome's cavalry became the equestrian order during the Republican period, before analysing how imperial rule transformed the role of equestrians in government. Using literary and documentary evidence, the book demonstrates the vital social function which the equestrian order filled in the Roman world, and how this was shaped by the transformation of the Roman state itself.

LexisNexis Practice Guide: Georgia Civil Trial Procedure 2021-2022

Edition Kenneth A. Hindman 2021-09-03 LexisNexis Practice Guide: Georgia Civil Trial Procedure integrates how-to practice guidance, task-oriented checklists, downloadable forms and references to sources that provide in-depth explanations of subjects to make this complex area understandable to litigators. It distills the experience of a number of experts on practice in Georgia courts to break down and explain the complexities of trying a case. It offers the targeted practical guidance for the Georgia litigator needs to ensure success in all of the critical areas of trial practice.

**Defense in International Criminal Proceedings** Michael Bohlander 2006-03-21 This collection of cases and materials attempts for the first time to provide a compendium of the most important legal texts, relevant

documents and cases, as well as explanatory commentary on the law of defence in international criminal proceedings by scholars and practitioners who have a wealth of relevant experience in the field. The book provides students in law school courses on international human rights law and ICL with the essential materials to understand the vital importance of an adequate defence in international criminal proceedings. Further, the text gives legal practitioners who may consider extending their field of practice to the international level a look at the diversity of the tasks they will encounter and prepare them for the legal culture shock inevitable at the international tribunals and courts.

**Government Auditing Standards - 2018 Revision** United States Government Accountability Office 2019-03-24 Audits provide essential accountability and transparency over government programs. Given the current challenges facing governments and their programs, the oversight provided through auditing is more critical than ever. Government auditing provides the objective analysis and information needed to make the decisions necessary to help create a better future. The professional standards presented in this 2018 revision of Government Auditing Standards (known as the Yellow Book) provide a framework for performing high-quality audit work with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services. These standards, commonly referred to as generally accepted government auditing standards (GAGAS), provide the foundation for government auditors to lead by example in the areas of independence, transparency, accountability, and quality through the audit process. This revision contains major changes from, and supersedes, the 2011 revision.

**Auto Accident Personal Injury Insurance Claim** Dan Baldyga 2002-04-01 Auto Accident Personal Injury Insurance Claim reveals the inside secrets of claim negotiating and shows you how to settle your case for top dollar. This book will guide you through the insurance claim wilderness and provide you with the answer to that critical question: How much is my "pain and suffering" worth? The mystery of how to place a value on your "pain and suffering" has been solved with the introduction of BASE: The Baldyga Auto Accident Settlement Evaluation Formula. It will help you to prove your losses, and to know how to present them during your negotiations. You'll learn the all-important 4 "Values" that BASE provides for you: The PREMIUM Value, The MEAN Value, The CORE Value and The LOW Value. The BASE Formula is a simple, yet revolutionary evaluation tool. Knowing how to guide an accident claim to a victorious payoff is not an exclusive ability, possessed by a select few. Don't be seduced into thinking you can't do it yourself. That simply isn't true! This book will show you how. If you've been in an accident and you're uninformed, you have little or no concept of the ultimate value of your possible recovery. Because of this, you're less able

to make appropriate demands. As the claims negotiation process moves towards a close, you're settlement demands are very often too low or too high. You're ignorant of the accepted principles, which justify your demands. When you attempt to negotiate a settlement with these handicaps, you run a strong chance of being victimized. The amount of compensation you should be paid isn't found in a crystal ball. Rather, a number of simple factors such as the type of accident, related injuries, out-of-pocket expenses, medical costs and lost wages all go into determining how much a claim is worth. What amount an insurance company is willing to pay actually falls into a fairly narrow spectrum. To read this book is to become informed on bodily injury claim settlement facts and details. You'll discover how to implement BASE so you can determine the monetary value of the "pain and suffering" you've endured because of your injury. You'll know what to ask for and how to negotiate it. You'll learn how to supply the adjuster with all the documentation and proof needed to establish your claim. You'll gain the knowledge needed to accomplish this when you read *Auto Accident Personal Injury Insurance Claim*. And you'll walk away from the negotiation table with a smile on your face.

*A Sender's Guide to Letters and Emails* Chandana Kohli 2014-01-05

Wondering how to word a key official letter? Searching for the right way to write an email to an important client? Thinking about how to convey what you want on an important occasion? Your business and personal communication letter and email guide is here. In today's world, where a lot depends on the quality of your communication, how you approach it is more important than it has ever been. Daily communication happens, more often than not, without a personal interface, and this makes the letter or email an extremely important tool to convey your personality, skills and ideas effectively and succinctly. Despite changes in the medium and the form, the letter continues to be the driving force of all kinds of communication, official or personal. This book will help you communicate more cogently and confidently, and guide you through situations where you might find it difficult to communicate in writing. Learn how to write suitable emails and letters for official needs and challenging social situations. Choose from over a hundred templates and tips. Find ready-made letters for all your business and personal needs. This book will make letter writing faster, easier and above all, perfectly suited to the situation and occasion.

**Ask a Manager** Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist

comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Model Rules of Professional Conduct** American Bar Association.

House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
