Jesus, the One and Only Beth Moore 2013-03 Based on the book of Luke, presents an in-depth look at the life of Jesus Christ that considers his ministry, miracles, and confrontation of corrupt religious leaders.

Flash Burnout L. K. Madigan 2009-10-19 Winner of the 2010 William C. Morris Award! Fifteen-year-old Blake has a girlfriend and a friend who's a girl. One of them loves him; the other one needs him. When he snapped a picture of a street person for his photography homework, Blake never dreamed that the woman in the photo was his friend Marissa's long-lost meth addicted mom. Blake's participation in the ensuing drama opens up a world of trouble, both for him and for Marissa. He spends the next few months trying to reconcile the conflicting roles of Boyfriend and Friend. His experiences range from the comic (surviving his dad's birth control talk) to the tragic (a harrowing after-hours visit to the morgue). In a tangle of life and death, love and loyalty, Blake will emerge with a more sharply defined snapshot of himself.

Robert Ludlum's (TM) The Utopia Experiment Kyle Mills 2013-03-26 With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's

enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

Baby's First Diwali DK 2019-09-03 Celebrate Diwali with this delightful baby board book teaching little ones all about the popular festival of light. Bold, brightly colored pictures, and short and snappy text is a fantastic way to discover Diwali together in this delightful book! From the shining diya lamps that gave the festival its name, to colorful Rangoli sand decorations and sweet treats, Baby's First Diwali features all the familiar favourites associated with India's biggest and brightest holiday. Baby's First Diwali perfectly captures the joy of this special celebration and is an ideal preschool learning introduction to the traditions of the holiday. Adults and toddlers can enjoy reading this book on Diwali together and learn about India's brightest festival. Complete the series This delightful book is part of the Baby's First Holidays range of board books for babies and toddlers from DK Books. This educational and exciting collection includes Baby's First Hanukkah and Baby's First Thanksgiving.

Every Time a Bell Rings Barbara Ankrum 2019-11-18 Once upon a time, he was everything to her, except for one thing: her future Christmas sparkles from every bough and window at the cozy Four Winds Ski Resort, where single mother Eden Kendall and her eight-year-old son are spending the holiday. A surprise marriage proposal from her boss's son wasn't on her Christmas list, but it's the perfect excuse to get away and weigh her options. She never imagined her son's ski instructor/Santa impersonator would be the gorgeous, charismatic dreamer she left behind years ago, the one who still owns a piece of her heart. Cole Hagan has never stopped loving Eden and he's spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build by organizing a holiday concert, he decides it's about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas. Can a not-so-perfect angel help this unlikely pair get a second chance at happily ever after?

Disciple IV Abingdon Press 2005-05 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

When the School Horse was King : a Tribute to Faithful Friends and Companions John C. Charyk 1988-06

The Fairytale Lives of Russian Girls Meg Miroshnik 2014-11-14 "Dark comedy / 6f / unit set/multiple settings"--Back cover.

Death Waits in the Dark Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

When God Goes to Starbucks Paul Copan 2008-08-01 More than ever, Christians are bombarded with tough faith questions from their pluralistic friends and neighbors. Many of these emerge as "anti-truth claims" and slogans we are all familiar with: • Why not just look out for yourself? • Do what you want--just as long as you don't hurt anyone • Miracles violate the laws of nature • Aren't people born gay? Paul Copan has been answering questions like these for many years. In *When God Goes to Starbucks*, he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks, shopping malls, youth groups, and schools. Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today.

King Peggy Peggien Bartels 2013-02-12 The charming real-life fairy tale of an American secretary who discovers she has been chosen king of an impoverished fishing village on the west coast of Africa. King Peggy chronicles the astonishing journey of American secretary, Peggien Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Upon arriving for her crowning ceremony in beautiful Otuam, she discovers the dire reality: there's no running water, no doctor, no high school, and many of the village elders are stealing the town's funds. To make matters worse, her uncle (the late king) sits in a morgue awaiting a proper funeral in the royal palace, which is in ruins. Peggy's first two years as king of Otuam unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.

Iceland Alan Spitzer 2014-09-02 Iceland represents a long-delayed photographic journey to an extraordinary country. Some of the magical wonders of Iceland are captured in this book: glaciers, waterfalls, cliffs, lakes, and, yes, even a troll.

Essays in Phenomenology Maurice Natanson 2013-12-19 Fifteen years ago, Dorion Cairns concluded an article on phenomenology with a cautious appraisal of its influence in America. "Thus far," he wrote, "it continues to be an exotic." The situation today has changed: translations of the writings of Husserl, Heidegger, Marcel, Sartre, and Merleau-Ponty have appeared, and commentaries on these and related thinkers are not uncommon. Moreover, discussion of phenomenological problems is increasingly becoming part of the American (if not the British) philosophical scene. Phenomenology is in danger of domestication!

Signs of its accommodation include a willingness to pay tribute to Husserl's Logical Investigations by those who find relatively little to interest them in his later work, a location of what are taken to be common themes and underlying convergences of emphasis in Continental phenomenology and Anglo-American philosophy of the more nearly Wittgensteinian and Austinian varieties, and a growing impatience (shared by some phenomenologists) with expositions, explications, and interpretations of Husserl's work at the expense of original applications of phenomenology. Most bluntly put, the attitude is: Don't talk about it; do it! It would seem that we have arrived at a point where introductions to phenomenology are of doubtful value, if not superfluous. The present collection of essays is based on different assumptions and points to an alternative conception of the role of both methodology and originality in phenomenological work

wireless java programming for enterprise applications

The Virgin Asanas Jennifer Lynne Strube 2013-12 God. Sex. And Yoga. Mothers. Daughters. And Destiny. Growing up. Giving up. Going Mad. The juiciness no one is talking about. Yet. Six months before my 30th birthday, my life as I knew it flopped. Dumped by my fiance, fired from my dream job, dropped by my graduate program, and evicted by my Upper West Side landlord, I lost everything except the one thing I desperately wanted to: My virginity. Determined to gain back my love and lose my singleness cherry, I set sail on a spiritual quest. I honeymooned with my right-winged divorcee mother in Europe, vibrated into Om at a yoga training in Guatemala, and rubbed rosaries in California hotels on a crusade for holy sex. Crossing two coasts and five countries, I moved forward by crawling back, confronting the truth of my past, which clung as tightly as the quirks of my childhood faith and as intimately as my crown chakra. Where was my true love and can true love really wait into my 30s? On a journey as bewildering as it was sovereign, I got much more than I bargained for, in a tale where letting go and growing up was insatiably more orgasmic than I ever imagined."

Mayo Clinic Book of Alternative Medicine Mayo Clinic 2007-01-02 An overview of complementary and alternative medicine discusses various treatments, including herbs and energy therapies, and examines how alternative and conventional therapies can be combined to treat twenty common conditions.

Pocket Genius: Dogs DK 2014-06-02 Learn all about dogs in a child-friendly format that combines engaging photography with clear text in bite-sized chunks that will encourage and inform even reluctant readers. DK's Pocket Genius books feature distinct spread styles that add interest and variety to the books, from catalogs and thematic spreads to exciting full-page splash images. The convenient and economical format is ideal for children to use at home or school. Punchy bullet-point facts provide at-a-glance information, while size, shape, or locator icons are immediately recognizable references that children can easily understand. Additional genius gem facts provide extra wows. Fact files round off the book with fascinating facts such as record breakers and timelines, as well as a glossary.

Water Consciousness Tara Lohan 2008 A solution-focused guide to making a difference in the face of today's international water crisis features essays by such top environmental writers as Bill McKibben, Maude Barlow, and Vandana Shiva on a range of topics, from privatization and conservation to American public policy and the experiences of indigenous cultures. Original.

Visual Basic 2008 Paul J. Deitel 2009 Created by world-renowned programming instructors Paul and Harvey Deitel, Visual Basic 2008 How to Program, Fourth Edition introduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silverlight-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables

and arrays, delegates, lambda expressions, and extension methods. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII. AUDIENCE: Appropriate for anyone interested in learning programming with Visual Basic 2008.

101 Doilies Annie's 2019-03-21 Now you can choose between thread and yarn! Not everyone enjoys crocheting with thread. This book includes 101 doilies crocheted using size 10 crochet cotton thread or Omega Emilia worsted-weight yarn. The thread creates a small doily, perfect for coasters for glassware, to grace the table under a bud vase or candlestick and more. The doilies made using worsted-weight yarn create a larger doily to be used on tables and dressers. Size: Small - range in diameter from 3 1/2" to 6" Large - range in diameter from 7 1/2" to 14". Skill Level: Easy.

For Better or For Worse? Collaborative Couples in the Sciences Annette Lykknes 2012-06-05 In this volume, a distinguished set of international scholars examine the nature of collaboration between life partners in the sciences, with particular attention to the ways in which personal and professional dynamics can foster or inhibit scientific practice. Breaking from traditional gender analyses which focus on divisions of labor and the assignment of credit, the studies scrutinize collaboration as a variable process between partners living in the nineteenth and twentieth centuries who were married and divorced, heterosexual and homosexual, aristocratic and working-class and politically right and left. The contributors analyze cases shaped by their particular geographical locations, ranging from retreat settings like the English countryside and Woods Hole, Massachusetts, to university laboratories and urban centers in Berlin, Stockholm, Geneva and London. The volume demonstrates how the terms and meanings of collaboration, variably shaped by disciplinary imperatives, cultural mores, and the agency of the collaborators themselves, illuminate critical intellectual and institutional developments in the modern sciences.

The Haiti Reader Laurent Dubois 2020-02-14 Spanning the centuries between pre-contact indigenous Haiti to the aftermath of the 2010 earthquake, the selections in The Haiti Reader introduce readers to Haiti's dynamic history and culture from the viewpoint of Haitians from all walks of life.

Flight Mechanics Modeling and Analysis Jitendra R. Raol 2008-08-20 The design, development, analysis, and evaluation of new aircraft technologies such as fly by wire, unmanned aerial vehicles, and micro air vehicles, necessitate a better understanding of flight mechanics on the part of the aircraft-systems analyst. A text that provides unified coverage of aircraft flight mechanics and systems concept will go a long

ARE Review Manual David Kent Ballast 2011 "Updated to the 2007 AIA Documents and the 2009 International Building Code"--Cover.

Passion of the Ice Happy Shave Ice 2020-06-11 The ultimate guide to Hawaiian shave ice, kakigori, patbingsu, snow cones, and all the beloved icy confections of the world! A love letter to ice enthusiasts, Passion of the Ice journeys into the history, techniques, and recipes of some of the world's most beloved (and oldest!) ice-based desserts. Estimator's Electrical Man-Hour Manual John S. Page 1999-05-24 This manual's latest edition continues to be the best source available for making accurate, reliable man-hour estimates for electrical installation. This new edition is revised and expanded to include installation of electrical instrumentation, which is used in monitoring various process systems.

The Mammoth Book of Awesome Comic Fantasy Mike Ashley 2014-04-11 A new and truly awesome collection of comic fantasy masterpieces! It isn't often you find a posse of Greek goddesses putting down insurrection among unruly classical mortals, stranded aliens escaping earth in a church converted into a rocket, or a light-fingered time-traveller attempting to steal the universe - but here they all are, in another selection of bizarre comic fantasies.

CSS for Babies Sterling Sterling Children's 2016-07-19 Show your little ones how to display HTML elements properly with CSS (Cascading Style Sheets) and familiarize them with the visual patterns and symbols that make up the essential building blocks of the web.

Developing Intelligent Agent Systems Lin Padgham 2005-06-24 Build your own intelligent agent system... Intelligent agent technology is a tool of modern computer science that can be used to engineer complex computer programmes that behave rationally in dynamic and changing environments. Applications range from small programmes that intelligently search the Web buying and selling goods via electronic commerce, to autonomous space probes. This powerful technology is not widely used, however, as developing intelligent agent software requires high levels of training and skill. The authors of this book have developed and tested a methodology and

tools for developing intelligent agent systems. With this methodology (Prometheus) developers can start agent-oriented designs and implementations easily from scratch saving valuable time and resources. Developing Intelligent Agent Systems not only answers the questions "what are agents?" and "why are they useful?" but also the crucial question: "how do I design and build intelligent agent systems?" The book covers everything a practitioner needs to know to begin to effectively use this technology - including an introduction to the notion of agents, a description of the concepts involved, and a software engineering methodology. Read on for: a practical step-by-step introduction to designing and building intelligent agent systems. a full life-cycle methodology for developing intelligent agent systems covering specification, analysis, design and implementation of agents. PDT: Prometheus Design Tool - software support for the Prometheus design process. the example of an electronic bookstore to illustrate the design process throughout the book. Electronic resources including the Prometheus Design Tool (PDT), can be found at: <http://www.cs.rmit.edu.au/agents/prometheus> This book is aimed at industrial software developers, software engineers and at advanced undergraduate students. It assumes knowledge of basic software engineering but does not require knowledge of Artificial Intelligence or of mathematics. Familiarity with Java will help in reading the examples in chapter 10. **Life Application Study Bible NLT** Tyndale House Publishers 2004-10-25 Today's best-selling study Bible—the Life Application Study Bible—has been updated and expanded.
