### **The Complete Idiot's Guide to Life After Death**

Diane Ahlquist 2007 A belief in the afterlife - what happens to the spirit, the essence of a person and personality after the body ceases to be - is common to almost every faith and culture the world over. Even people who don't ascribe to a religion or consider themselves spiritual share a fascination in life after death; they may just look at it in a different way. Some will wonder about the existence of heaven or hell; others believe they've seen "dead people," especially those who have been close to them in life; others look for answers to the question "What will happen to me when I die?" In *The Complete Idiot's Guide to Life After Death*, author and intuitive Diane Ahlquist shares her own knowledge of the subject, as well as the opinions of religious and spiritual leaders and others, like Edgar Cayce and the Dalai Lama, who have long spoken about the possibility and the experience of the afterlife.

**On Tyranny** Timothy Snyder 2017-02-28 #1 NEW YORK TIMES BESTSELLER • A “bracing” (Vox) guide for surviving and resisting America’s turn towards authoritarianism, from “a rising public intellectual unafraid to make bold connections between past and present” (The New York Times) “Timothy Snyder reasons with unparalleled clarity, throwing the past and future into sharp relief. He has written the rare kind of book that can be read in one sitting but will keep you coming back to help regain your bearings.”—Masha Gessen The Founding Fathers tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today,

our political order faces new threats, not unlike the totalitarianism of the twentieth century. We are no wiser than the Europeans who saw democracy yield to fascism, Nazism, or communism. Our one advantage is that we might learn from their experience. *On Tyranny* is a call to arms and a guide to resistance, with invaluable ideas for how we can preserve our freedoms in the uncertain years to come.
