Dominant Women Alexandra Morris 2020-05-17 ☆Updated 2nd Edition!☆ Strip him of all his power. It's time to push him around and make him beg for more. One of the biggest misconceptions about BDSM is this: Women are submissive, and men are dominant. It's time to shine some bright light on that myth. With tons of experience with pushing men around (in a non-bitchy way, they all agreed, I promise you) I decided to write this book for both novices and experienced Dominas. It's a sensitive topic. It goes against what we see on tv and film. It goes against the innocent girl conquered by a dominant man. It's against the so-called masculine attributes. That's why it's both exciting and common! It's like eating the forbidden fruit, almost as living a double life. I've divided this book into four parts. Part one: Being a dominant women Part two: Understanding Male Sexuality Part three: Communication and satisfying each other's needs Part four: Perform the act Each part is divided into several sections to arm you with the best information and make sure you get a great time being a Domina. Enjoy the book, and please let me know if I can help in any way! All the best, Alex

His women are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

The Dominant Wife Rule Book Mistress Jessica 2013-08-13 How you implement the rules or not, is entirely up to you, these are just guidelines, things that we have found have been fun and work well in our relationship, feel free to alter or change a rule to fit your own situations. We have even included a number of pages for you to add your own specific rules that you may have that is not included in our own rules. What you have in the end is pretty much an owner's manual for your submissive husband, what better fun can there be for a submissive husband to know that in his house is a book of rules that he must follow else he may be punished by his Dominant wife. I personally like to leave the book lying around the house just so my submissive husband can see it and know that it is there.

His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

**Conquer Me** Kacie Cunningham 2011-03-28 Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to

her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

The Dominant Wife - Submissive Husband Fantasies

Mistress Jessica 2018-05-14 I love submissive men, in fact I keep a few around the house just to amuse me. Now

that may not be something you are into and that is ok. The fact that there are many men who would give anything to be involved in a Female Led Relationship or as people like to call it these days (FLR) gives the world a little hope. This book is an outlet for me and the continuation of the Dominant Wife Series of books. If you are into this type of stuff then check out our other books in this series. Dominant Wife Rulebook Dominant Wife Rulebook - Chastity Edition Both have received some good feedback. Let's face it I have a dirty mind and one of the things I like to do is write short stories, they really get me turned on while I am writing them, which is probably why they are short stories, because I usually have to get one of my own submissive men from around the house to come over and finish me off after just a few pages. I am sure some of you can relate to that. I hope you enjoy these short stories as much as I do.
