Curriculum Improvement: The Teacher Perspective on ...

can fall back on past teaching habits, teaching the new content in a lack-luster way so as to render the content of new curriculum meaningless (Orrill & Anthony, 2003). These obstacles to successful implementation of a new curriculum in the classroom can result in that curriculum having little chance of accomplishing the desired result.

## **B.A. Special Education and Elementary Education Program ...**

special education courses for teaching students with exceptionalities. Candidates develop and refine their skills through a series of sequential experiences beginning with video-based observations of classroom instruction, to prepare candidates for authentic, collaborative, pre-clinical teaching experiences in K-12 settings.
