The Essays of Warren Buffett Warren Buffett 2021 As in previous editions of *The Essays of Warren Buffett*, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

Buffett's Tips John M. Longo 2020-12-22 What if you could learn financial literacy from Warren Buffett himself? Finance is a language like any other: the more fluently you speak it, the further—and more comfortably—you travel. And if you want to improve your financial literacy, what better teacher could you have than Warren Buffett? Often described as the greatest investor of all time, Warren Buffett started his investment firm with \$100 in the late 1950s and went on to become the billionaire and sage we know today. Along the way he's reaped huge profits for fellow investors in Berkshire Hathaway and remains one of the most sought-after and closely watched figures in the business world. So how did he do it? In *Buffett's Tips*, award-winning professor and professional investor John M. Longo demonstrates just how by translating decades of Buffett's writings and media appearances into a 100 straightforward tips and strategies anyone can follow for enhanced financial literacy and independence, including: Essential concepts like the time value of money and compound interest Basic financial instruments, such as savings and checking accounts and certificates of deposit Approaches to valuing stock, including discounted cash flow and relative valuation How to build a portfolio in accordance with Buffett's two golden rules Whether you want to grow your personal finances, develop your business acumen, or improve softer career skills such as emotional intelligence, there's no one better to learn from than the most famous investor in the world—and no better way to do that than having a copy of *Buffett's Tips* close at hand.

Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life Goals Larry Swedroe 2014-03-07 Bedrock investing principles for profiting in today's shaky markets If you wanted to create the next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform other investors and achieve your life's financial goals, what should you do? Think, act and invest like the best investor out there: Warren Buffett. While you can't invest exactly like he does, *Think, Act, and Invest Like Warren Buffett* provides a solid, sensible investing approach

based on Buffett's advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he's come to the conclusion that simple is better, that adopting basic investing principles always increases an investor's chance of success and that Buffett is the perfect model for such investing. In *Think, Act, and Invest Like Warren Buffett*, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that's right for you and allocate your assets accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job it is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is, investing is easier than you think—even in today's economy. "Complex problems can have simple solutions," Swedroe writes. *Think, Act, and Invest Like Warren Buffett* helps you go back to the basics—so you can leap in front of the investing pack. Praise for *Think, Act, and Invest Like Warren Buffett*: "You could not spend a more profitable hour than reading Larry Swedroe's wise and lucid investment guide." —Burton Malkiel, author, *A Random Walk Down Wall Street* "If you've been wondering why you've had such a hard time investing well, *Playing the Winner's Game* will diagnose your ills and treat them in just ninety short, delightful pages." —William Bernstein, author, *A Splendid Exchange* and *The Investor's Manifesto* "Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life's treasures—like your family and friends!" —William Reichenstein, professor, Baylor University "As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book." —Edward R. Wolfe, professor of finance, Western Kentucky University "It's amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that's fun to read. Get a copy and treat yourself to a better financial future." —Harold Evensky, president, Evensky & Katz "Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, *Playing the Winner's Game*, combines all facets of wealth management in an inspiring and powerful manner." —Bill Schultheis, author, *The New Coffeehouse Investor*

The Joys of Compounding Gautam Baid 2020-06-02 Value investing is not just a system for success in the market. It is also an intellectual toolkit for achieving a deeper understanding of the world. In *The Joys of Compounding*, the value investor Gautam Baid builds a holistic approach to value investing and philosophy from his wide-ranging reading, combining practical approaches, self-cultivation, and business wisdom. Distilling investment and life lessons into a comprehensive guide, Baid integrates the strategies and wisdom of preeminent figures whose teachings have stood the test of time. Drawing on the work of investing greats like Warren Buffett, Charlie Munger, and Ben Graham, as well as philosophers and scholars, he artfully interweaves the lessons learned from his many teachers. Baid demonstrates their practical applications in the areas of business, investing, and decision making and also shows that these ideas can be applied to

one's own life with just as much reward. A celebration of the value investing discipline, this book also recounts Baid's personal experiences, testifying to his belief that the best investment you can make is an investment in yourself. The Joys of Compounding offers curated reflections on life and learning for all investors, investment enthusiasts, and readers seeking a dose of practical wisdom. This revised and updated edition highlights Baid's distinctive voice.

The Psychology of Money Morgan Housel 2020-09-08 Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In The Psychology of Money, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

Elon Musk Influential Individuals 2017-11-22 Elon Musk: The Life, Lessons & Rules for Success What can't Elon Musk do? As CEO of SpaceX and Tesla, founder of The Boring Company, and cofounder of OpenAI, Musk seems to be everywhere all at once, pushing all kinds of incredible new technologies. He's said he won't be happy until we've escaped Earth and colonized Mars. Between space rockets, electric cars, solar batteries, research into killer robots, and the billions he's made along the way, Musk is basically a real-life Tony Stark -- which is why he served as an inspiration for "Iron Man." But it wasn't always easy for Musk. This book covers how he went from getting bullied in school to small-time entrepreneur to CEO of two major companies that seem like they're straight out of science fiction -- and how he almost went broke along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. *INCLUDING* Elon Musk's 15 Rules for Success, 60 Greatest Quotes & 40 Little known facts! Don't wait, grab your copy today!

The Practice of Absorption Spectrophotometry E. I. Stearns 1969 "First class. A great job at collating our philosophy." - Warren Buffett "Very practical." - Charlie Munger "One of the top investment books of all time." - The Motley Fool "A must-read business book." - JP Morgan Private Banking "As much a business management book as a personal finance book." - Publishers' Weekly "One of the best books of the year. Two thumbs up!" - CNN (Financial News) "A serious investment course with entertainment thrown in." - Investor's Chronicle "The book on Buffett - a superb job!" - Forbes "Extraordinary - full of wisdom, humour and common sense." - Money "A classic on value investing and the definitive source on Buffett." - The Financial Times

Warren Buffett Invests Like a Girl The Motley Fool 2011-06-21 *** Wall Street Journal bestseller *** Investing isn't a man's world anymore—and this provocative and enlightening book shows why that's a good thing for Wall Street, the global financial system, and your own personal portfolio. Warren Buffett and all of

the women of the world have one thing in common: They are better investors than the average man. It's been proved by psychologists and scientists, and the market calamities of the past two years have only provided more statistical and anecdotal evidence of the same. Here are just a few characteristics of female investors that distinguish them from their male counterparts. • Women spend more time researching their investment choices than men do. This prevents them from chasing "hot" tips and trading on whims -- behavior that tends to weaken men's portfolios. • Men trade 45% more often than women do, and although men are more confident investors, they tend to be overconfident. By trading more often -- and without enough research -- men reduce their net returns. But by trading less often, women get better returns and also save on transaction costs and capital gains taxes. • A study by the University of California at Davis found that women's portfolios gained 1.4% more than men's portfolios did. What's more, single women did even better than single men, with 2.3% greater gains. • Women tend to look at more than just numbers when deciding whether to invest in a company. They invest in companies they feel good about ethically and personally. And companies with good products, good services, and ethics tend to have better long-term prospects -- and face fewer lawsuits. Women, with their capability for patience and good decision-making, epitomize the Foolish investment philosophy and the investment practices of the most successful investor in history: Warren Buffett. While men are brash, compulsive, and overly daring, women tend to be more studious, skeptical, and reasonable. This indispensable volume from the multimedia financial education company Motley Fool offers essential advice for every investor hoping to turn today's savings into wealth for a better tomorrow.

Being Warren Buffett Nic Liberman 2015-05-07 Is there a secret to Warren Buffett's success? Surprisingly, little is known about what really makes Warren Buffett so extraordinarily successful as an investor. So Nic Liberman set out to uncover the essence of his genius and, along the way, found that this cheerful billionaire has a unique combination of character traits. Being Warren Buffett is not a guide to investing. It is a thought-provoking investigation into the value of self-awareness, and how pairing our personalities to our endeavours could be the key to leading a fulfilling life.

Warren Buffett Wealth Robert P. Miles 2004-04-26 The strategies and techniques of THE investment legend Warren Buffett Wealth follows the world's greatest investor from the beginning of his career, as he takes a 100-dollar investment and turns it into one of the most successful multibillion-dollar companies in the world. By carefully detailing how Buffett began his career and discussing what he learned from Benjamin Graham, this book reveals the true secrets to Buffett's success. Readers will see how Buffett reached the pinnacle of his profession by following certain key principles such as investing in old-style traditional American companies, holding the companies forever, and hiring and keeping the same managers. Robert P. Miles (Tampa, FL) is a writer, speaker, and consultant. He is also the author of The Warren Buffett CEO (0-471-44259-3) and 101 Reasons to Own the World's Greatest Investment: Warren Buffett's Berkshire Hathaway (0-471-41123-X).

10 Golden Principles of Warren Buffett Warren Buffett 2021-01-01 It takes 20 years to build a reputation and five minutes to ruin it. If you think about that, you'll do things differently. Losers leave the field after failing. Winners keep failing until they achieve success. Warren Buffet keeps looking for persons who are self motivated. He says, "Even if I don't get any money, I and Charlie would be quite happy with our wonderful job".

The Warren Buffett Way Robert G. Hagstrom 1997-04-07 Describes the investment strategies of the world's most famous stock investor, recounting how he made a fortune by purchasing pieces of outstanding companies since the early 1980s

A Few Lessons for Investors and Managers Peter Bevelin 2012

Warren Buffett Book of Investing Wisdom Robert L. Bloch 2021-06-01 Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the tenth-largest public company in the world, valued at more than \$600 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people

looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The Warren Buffett Book of Investing Wisdom contains 350 quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

Warren Buffett on Business Warren Buffett 2009-12-09 The proven business principles of Warren Buffett Warren Buffett is one of the most admired and prolific investors and managers in corporate America. Warren Buffett George Ilian 2016-09-19 Do you want learn how to invest like Warren Buffett? This book offers an introduction to Buffett, his business success and the lessons that we can learn from him. This is not a text book nor a biography, but more of a cheat sheet for reading on the bus or in the bathroom, so that you can pick out the most significant points without having to carry around a bag of weighty tomes. You can read it all in one sitting, or look up specific case studies as and when you are looking for inspiration or direction. You will learn the most significant skills and qualities that made him the most successful investor ever, plus some of his greatest investing tips.

Secret Millionaires Club Andy Heyward 2013-07-24 Priceless finance advice everyone can relate to from one of the world's most respected businessmen and the most successful investor of all time Of course you know who Warren Buffett is; he's the most successful investor in the world—maybe of all times. But what do you know about his approach to business and investing? It's an approach that, over the past four decades, has made him the richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. But as Buffett himself will tell you, at the heart of any wealth-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and about living a decent life. Written in conjunction with the hit television series, "Secret Millionaire Club" and with Buffett's input and full support, this book makes Buffett's financial philosophy and homespun life lessons available to everyone outside his "Secret Club." Warren Buffett's goal in spearheading this book was to share lessons about personal finance he has learned and that he hopes will benefit you (and your kids) for a lifetime You'll learn the fundamentals of personal finance by reading Warren Buffett's war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself follows Unforgettable Buffett quotes include: "Price is what you pay. Value is what you get"; "Risk comes from not knowing what you're doing"; and "Profit from folly rather than participate in it."

University of Berkshire Hathaway Daniel Peca 2017-03 Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

Buffett Roger Lowenstein 2008-09 Now revised and updated by the author, "Buffett" draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the definitive inside account of the life and career of this American original.

Warren Buffett: the Life, Lessons and Rules for Success Influential Individuals 2017-07-15 Warren Buffett: The Life, Lessons & Rules For Success He's been consistently voted one of the wealthiest people in the world. Time Magazine also voted him as one of the most influential people in the world; widely considered to be the most successful investor of the entire 20th century. In short, Warren Buffett is a boss. The man knows a thing or two about success. With a net worth of \$77.1 billion, the billionaire investor's fabled business acumen has inspired everything from investment books to college courses. He is known to favor long-term investment strategies, like dollar cost averaging, which encourages the regular purchase of the same investment over time. He also has long-standing holdings in the Coca-Cola Company, Apple, and American Express among others. His now infamous letters to Berkshire Hathaway shareholders help shed light into how the man they call the "Oracle of Omaha," reads the tea leaves. This book takes a look at Buffett's life. From humble beginnings in Omaha, up to present day where the 86 year old is still going strong. We take a look at his first taste of business at the ripe old age of 6, following on with his major successes and failures along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. *INCLUDING* 25 Most Memorable Quotes & 15 Success Principles to Live by Don't wait, grab your copy today!

One Thousand Ways to Make \$1000 F. C. Minaker 2017-07-11 First published in 1936, *One Thousand Ways to Make \$1000* is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of *One Thousand Ways* off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's *How to Win Friends and Influence People*, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today—goat dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented—the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, *One Thousand Ways to Make \$1000* is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.

The Essays of Warren Buffett Warren E. Buffett 2015-11-30

Berkshire Beyond Buffett Lawrence A. Cunningham 2014-10-21 Berkshire Hathaway, the \$300 billion conglomerate that Warren Buffett built, is among the world's largest and most famous corporations. Yet, for all its power and celebrity, few people understand Berkshire, and many assume it cannot survive without Buffett. This book proves that assumption wrong. In a comprehensive portrait of the distinct corporate culture that unites and sustains Berkshire's fifty direct subsidiaries, Lawrence A. Cunningham unearths the traits that assure the conglomerate's perpetual prosperity. Riveting stories recount each subsidiary's origins, triumphs, and journey to Berkshire and reveal the strategies managers use to generate economic value from intangible values, such as thrift, integrity, entrepreneurship, autonomy, and a sense of permanence. Rich with lessons for those wishing to profit from the Berkshire model, this engaging book is a valuable read for entrepreneurs, business owners, managers, and investors, and it makes an important resource for scholars of corporate stewardship. General readers will enjoy learning how an iconoclastic businessman transformed a struggling shirt company into a corporate fortress destined to be his lasting legacy.

The Tao of Warren Buffett Mary Buffett 2006-11-21 A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a

classic.

The Snowball Alice Schroeder 2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 *The Snowball* is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, *The Snowball* is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. *The Snowball* provides a comprehensive, richly detailed insight into one of the world's most extraordinary and much loved public figures.

The Oracle Speaks David Andrews 2012 ""A collection of direct quotes from Warren Buffett on topics related to business, investing, leadership, and life from his own speeches, interviews, and writings"--Provided by publisher"--

Richer, Wiser, Happier William Green 2021-04-20 From William Green, a financial journalist who has written for *The New Yorker*, *Time*, and *Fortune*, comes a fresh and unexpectedly profound book that draws on interviews with more than 40 of the world's super-investors to demonstrate that the keys for building wealth hold other life lessons as well.

The Warren Buffett Portfolio Robert G. Hagstrom 2000-11-20 *The Warren Buffett Way* provided the first look into the strategies that the master uses to pick stocks. A *New York Times* bestseller, it is a valuable and practical primer on the principles behind the remarkable investment run of the famed oracle of Omaha. In this much-awaited companion to that book, author Robert Hagstrom takes the next logical step, revealing how to profitably manage stocks once you select them. **THE WARREN BUFFETT PORTFOLIO** will help you through the process of building a superior portfolio and managing the stocks going forward. Building a concentrated portfolio is critical for investment success. **THE WARREN BUFFETT PORTFOLIO** introduces the next wave of investment strategy, called focus investing. A comprehensive investment strategy used with spectacular results by Buffett, focus investing directs investors to select a concentrated group of businesses by examining their management and financial positions as compared to their stock prices. A strategy that has historically outperformed the market, focus investing is based on the principle that a shareholder's

return from owning a stock is ultimately determined by the economics of the underlying business. Hagstrom explains in easy-to-understand terms exactly what focus investing is, how it works, and how it can be applied by any investor at any level of experience. He demonstrates how Buffett arranges his stocks in a focus portfolio and reveals why this is as responsible for his incredible returns as the individual stocks he picks. Ultimately, Hagstrom shows how to use this technique to build and manage a portfolio to achieve the best possible results.

Warren Buffett Ashton Marshall 2015-07-16 Investing & Life Lessons From The Great Warren Buffett! Are You Ready To Delve Into The Life And Investing Lessons Warren Buffett Has For Us on How To Get Rich And Dominate Life? If So You've Come To The Right Place... Rule #1 Phil Town 2006-03-21 #1 NEW YORK TIMES BESTSELLER • "The clearest and best book out there to get you on the path to riches. This one's special!"—Jim Cramer, host of CNBC's Mad Money "Great tools for anyone wanting to dabble in the stock market."—USA Today Phil Town is a very wealthy man, but he wasn't always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true "rules" are and how to make them work in one's favor. Chief among them, of course, is Rule #1: "Don't lose money." In this updated edition to the #1 national bestseller, you'll learn more of Phil's fresh, think-outside-the-box rules, including: • Don't diversify • Only buy a stock when it's on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can't help but regress to the mean—and as we've all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

Buffett Roger Lowenstein 2013-07-24 Since its hardcover publication in August of 1995, Buffett has appeared on the Wall Street Journal, New York Times, San Francisco Chronicle, Los Angeles Times, Seattle Times, Newsday and Business Week bestseller lists. Starting from scratch, simply by picking stocks and companies for investment, Warren Buffett amassed one of the epochal fortunes of the twentieth century—an astounding net worth of \$10 billion, and counting. His awesome investment record has made him a cult figure popularly known for his seeming contradictions: a billionaire who has a modest lifestyle, a phenomenally successful investor who eschews the revolving-door trading of modern Wall Street, a brilliant dealmaker who cultivates a homespun aura. Journalist Roger Lowenstein draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the first definitive, inside account of the life and career of this American original. Buffett explains Buffett's investment strategy—a long-term philosophy grounded in buying stock in companies that are undervalued on the market and hanging on until their worth invariably surfaces—and shows how it is a reflection of his inner self.

Invest Like Buffett Bradley Adams 2019-09-02 Warren Buffett is one of the most famous people in the financial world. Now, you can learn to invest like him. The Essays of Warren Buffett Lawrence A. Cunningham 2013-03-15 In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual

letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. The Warren Buffett CEO Robert P. Miles 2003-04-18 "Everyone knows Warren is the greatest investor of our time. . . .This book for the first time captures his genius as a manager." —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion, Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.

Damn Right! Janet Lowe 2000-10-30 Praise for Damn Right! From the author of the bestselling WARREN BUFFETT SPEAKS. . . "Charlie Munger, whose reputation is deep and wide, based on an extraordinary record of brilliantly successful business strategies, sees things that others don't. There is a method to his mastery and, through this book, we get a chance to learn about this rare individual." -MICHAEL EISNER, Chairman and CEO, The Walt Disney Company "Janet Lowe uncovers the iconoclastic genius and subtle charm behind Charlie Munger's curmudgeonly facade in this richly woven portrait of our era's heir to Ben Franklin. With a biographer's detachment, an historian's thoroughness, and a financial writer's common sense, Lowe produces a riveting account of the family, personal, and business life of the idiosyncratically complex and endlessly fascinating figure." -LAWRENCE CUNNINGHAM, Cardozo Law School, Author of The Essays of Warren Buffett: Lessons for Corporate America "For years, Berkshire Hathaway shareholders and investors worldwide (me included) have struggled to learn more about Warren Buffett's cerebral sidekick. Now we can rest and enjoy reading Janet Lowe's book about this rare intellectual jewel called Charlie Munger." -ROBERT G. HAGSTROM, Author of The Warren Buffett Way "Charlie has lived by the creed that one should live a life that doesn't need explaining. But his life should be explained. In a city where heroism is too often confused with celebrity, Charlie is a true hero and mentor. He lives the life lessons that he has studiously extracted from other true heroes and mentors, from Ben Franklin to Ben Graham. This book illuminates those life lessons." -RONALD L. OLSON, Munger, Tolles & Olson LLP "Janet Lowe's unprecedented access to Charlie Munger and Warren Buffett has resulted in a first-class book that investors, academics, and CEOs will find entertaining and highly useful."-TIMOTHY P. VICK, Money Manager and Author of How to Pick Stocks Like Warren Buffett
